**Principal**

Dr. D. R. Patil

**Date:** 07/08/2018

**Department of Microbiology and Biotechnology  
Academic Year 2018-19**

**Blood Group Detection and Hygiene Awareness Camp**

**Objective:** To detect the blood groups of individuals in the tribal area at Government Secondary Ashram School, Lauki Tal- Shirpur Dist - Dhule.

**Activities:** Students from M.Sc. with the help of some faculty members conducted blood tests to determine the blood groups of students and other members from the tribal area. This information is crucial for emergency medical situations and can also help in promoting blood donation. Students of B. Sc. prepared and presented posters. Other students presented a Street Play in local language for Hygiene awareness.

**Target Audience:** All the students from the school, faculty members from the school especially those who have never had their blood group identified.

**Outcome:** Participants received a card indicating their blood group, which they can use for medical records.

**Brief of the Program:**

Like every year, The Department of Microbiology and Biotechnology organized **Blood group Detection and Hygiene Awareness camp**, on 06<sup>th</sup> August 2018. This year, the program was successfully completed at Government Secondary Ashram School, Lauki Tal-Shirpur Dist - Dhule. The program started with Inauguration of the program by Hon'ble Vice Principal, R. C. Patel Arts, Commerce and Science College, Shirpur. The post inauguration programs included the detection of blood by Students of M. Sc. (Microbiology and Biotechnology) which ended in detection of Blood-group of 202 students from Primary and Secondary school. Many of them were unaware of their Blood Group, for which our students provided them with coupons mentioned with their Blood group and BMI. Simultaneously, our students from B. Sc (Microbiology and Biotechnology) arranged their posters and presented various general health issues which are faced in tribal areas. The program took a

break at 01:20 PM for lunch, after which it resumed again. At last, students presented a Street play (पथनाट्य) for the village folks and students. The street play is available on College YouTube channel (<https://youtu.be/ZUXOKrG8ULk?si=UuYxCHxLaejbr0uz>). The President of the village Lauki, Tal. Shirpur, Dist. Dhule (सरपंच) thanked the Principal, Head, Faculties and Students of Department of Microbiology and Biotechnology, R. C. Patel Arts, Commerce and Science College, Shirpur for their efforts for the success of this program. More details of the program can be seen on website.

**Dr. Sandip P. Patil**  
Head,  
Department of Microbiology

**Dr. Ravindra H. Patil**  
Head,  
Department of Biotechnology

**Some Glimpse of the program:**
