## Department of Microbiology and Biotechnology Academic Year 2022-23

### **Blood Group Detection and Hygiene Awareness Camp**

**Objective:** To detect the blood groups of individuals in the tribal area at R. C. Patel Madhyamik Ashram Shala, Nimzari Tal - Shirpur Dist - Dhule.

Activities: Students from M.Sc. with the help of some faculty members conducted blood tests to determine the blood groups of students and other members from the tribal area. This information is crucial for emergency medical situations and can also help in promoting blood donation. Students of B. Sc. prepared and presented posters. Other students presented a Street Play in local language for Hygiene awareness.

Target Audience: All the students from the school, faculty members from the school especially those who have never had their blood group identified.

Outcome: Participants received a card indicating their blood group, which they can use for medical records.

#### **Brief of the Program:**

Every year, The Department of Microbiology and Biotechnology organizes Blood group **Detection and Hygiene Awareness camp** on 06<sup>th</sup> August. But this year, due to some technical issues, the program was organized on 12th August 2022. The program started with Inauguration of the program by Dr. Kailas Patil, Head Master, R. C. Patel Madhyamik Ashram Shala, Nimzari Tal - Shirpur Dist - Dhule. The post inauguration programs included the detection of blood by Students of M. Sc. (Microbiology and Biotechnology) which ended in detection of Blood-group of 381 students from Primary and Secondary school. Many of them were unaware of their Blood Group, for which our students provided them with coupons mentioned with their Blood group and BMI. Simultaneously, our students from B. Sc (Microbiology and Biotechnology) arranged their posters and presented various general health issues which are faced in tribal areas. The program took a break at 01:20 PM for lunch,

after which it resumed again. At last, students presented a Street play (पथनाट्य) for the village folks and students. The President of the village Lauki, Tal. Shirpur, Dist. Dhule (सरपंच) thanked the Principal, Head, Faculties and Students of Department of Microbiology and Biotechnology, R. C. Patel Arts, Commerce and Science College, Shirpur for their efforts for the success of this program. More details of the program can be seen on website.
