Workshop On “Research Methodology”

Organized by

**Department of Computer Science in association with IQAC,
R. C. Patel Arts, Commerce and Science College, Shirpur**

Key Note Speaker:

Dr. Qadri S. L. ,
Head, Department of Urdu,
SPDM College, Shirpur.

Date of Workshop:- 08/10/2022

Introduction to the Program:

Progress is based on research, and the methodology we use determines the basis of our studies. This workshop is intended to give you useful insights and discussion to improve your research endeavors, regardless of whether you are an experienced academic, professional, or aspiring researcher looking to improve your research skills. Recall that research is a journey of curiosity, discovery, and addition to humankind's collective knowledge rather than merely a destination. So, let's set out on this adventure together, equipped with the information and resources necessary to successfully negotiate the challenging landscape of research methodology.

Key points discussions:

- Research Planning and Design
- Selection of Research Topic.
- Criteria for Good Research Problem.
- Source of Research Idea.
- Principles of Good Research.

Outcome of Program:

- How to plan for research.
- How to design research topic
- What criteria or parameters should consider while designing research.
- What sources he / she can use to search research ideas

Brief review on program:

Program is divided into two session

Session 1:- 11 to 12.30pm

Session 2 :- 1.30 to 3pm

Students enjoy lectures delivered by Dr. Qadri. Lectures was truly fruitful to students, and motivate students toward to think some thing new, how to search problem, how to design our won problem. At beginning session Dr. Qadri given introduction about research, what is importance of research? and how it may helpful to build our carrier not only doing work in research institute but also we can implement our research attitude in commercial environment also.

A handwritten signature in blue ink, appearing to read "Qadri".

Seminar On “Entrepreneurship”

Organized by

**Department of Computer Science in association with IQAC,
R. C. Patel Arts, Commerce and Science College, Shirpur**

Key Note Speaker:

Dr. Manoj Patel,
Head, Department of Computer Management,
IMRD College, Shirpur.

Introduction to the Program:

Entrepreneurship is not just a buzzword; it's a way of thinking, a force that turns concepts into reality, converts obstacles into opportunities, and inspires people to make a lasting difference. This seminar aims to develop an innovative culture and the abilities and mindset required to successfully navigate the dynamic world of entrepreneurship, rather than merely imparting business knowledge.

This seminar aims to provide insightful information, encourage networking, and ignite the entrepreneurial spirit in all of you—whether you are an experienced business owner, an aspiring entrepreneur, or just someone who is interested in startups and innovation.

Key points discussions:

- Definition of Entrepreneurs
- Types of Entrepreneurship.
- The Entrepreneurial Mindset.
- Business Planning.
- Funding and Finance.
- Risk Management
- Marketing and Branding

Outcome of the Program:

- What is mean by entrepreneurship and their types with respect to level, technology, area etc..
- How to mindset to become a entrepreneur.
- How to plan before setting a business.
- What are different sources of funding and finance.

- What risk may encounter in your business and how to manage or tackle it.
- How can you expand your business by searching good market and how to branding your business.
-

Brief review on program:

Program is divided into two session

Session 1:- 11 to 12.30pm

Session 2 :- 1.30 to 3pm

The Entrepreneurship program offered by Dr. Manoj Patel was a valuable and informative experience for students. It provided them with the knowledge and skills necessary to excel in the field of entrepreneurship and contribute to the growth and development of the business community. The lectures covered various aspects of entrepreneurship, including problem-solving, strategic planning, and risk assessment. Students also gained insights into the process of building successful businesses and learned about the various challenges that entrepreneurs face.

Date of Workshop: - 14/10/2022

Activity Report to IQAC

Date: 22 Feb 2023

Name of event: Guest Lecture on Research Methodology.

Objectives: To give some great preparation tips and strategy to help students ace the research . To begin with project preparation students must be well versed in the research field. To provide students with alternative perspectives , opinions and personal experiences that can reinforce the research. The enrichment to their research achievements the growth in their career & the advancement of skills will provide sufficient motivation to work hard.

Programme of Outcomes:

- 1.Students first of all should learn don't go in search of any shortcut.
- 2.Student should not skip the Journals and research articles.
- 3.Students should write down the highlights of the every step.
- 4.Students should try to prepare own pathways for research.
- 5.Students should use basic and advanced techniques for characterization.

Date and Time: 22/02/2023 (9:30 to 12 pm)

Duration: 2:30 hour

Name of resource person:

Dr. S.T.Shinde (Associate Professor, Chemistry Department ,
Annasaheb Awate College, Manchar, Dist. Pune)

Expected beneficiaries: P.G. - 80

Beneficiaries actually attended: P.G. - 80

Briefing of programme:

Department of chemistry organized a one day workshop to guide students on research methodology. It is based on basic knowledge doing

many lab activities. All teachers participated for this workshop which is for P.G. students. Teachers guided and prepared them for future research.

A Brief Report

Workshop on Research paper Writing, Research Methodology & Scientific Writing in LATEX

Organized by

Department of Mathematics

17/08/2022

Schedule of the programme

Topic: Research paper and Scientific writing in Latex

| | |
|------------------|--|
| Date | Time |
| 09/08/2022 | :12.00 to 03.00 pm |
| 16/08/2022 | :12.00 to 03.00 pm |
| Venue | :Seminar Hall |
| Expert faculty | :Dr. R. P. Mahajan and Shri. K. B. Rokade |
| Mode of workshop | :Presentation and hands on practice |
| Beneficiary | :M.Sc.-I and M.Sc.-II Mathematics students |

Objectives: In Latex Workshop all students will learn to:

- Gain the knowledge about documentation on open source tool.
- Participants was developed a basic understanding of Latex.

Outline of the workshop:

Day 1(Tuesday): 09/08/2022

- What is Latex?
- Why should we use Latex?
- Latex installation and environment setup.
- Resume writing.
- Report writing.
- Preparing presentation using beamer.

Day 2 (Tuesday): 16/08/2022

- Working with templates of IEEE.

Feedback from students:

Students experienced a special hands on practice learning session through which they got a better understanding of Latex tool and applications for it. Students understood the importance of Latex. The content delivery was as per the needs of every student along with the huge interaction.

Workshop output:

Every student edited IEEE research paper on Latex and gain how to insert image, sub images, equation, table, cross reference in research paper. Now they can insert all these confidently in any kind of latex format of IEEE, Elsevier and Springer. Also they learn how to make resume in different Latex format. We also used sharelatex.com to use online tool for perform all above mentioned operation.

Conclusion:

The Department of Mathematics, R.C.Patel Arts, Commerce and Science College, Shirpur has organized a “Research paper Writing, Research Methodology & Scientific Writing in LATEX”. The aim was to provide hands on practice to the students on the aspects of doing documentation work on open source, scientific tool. This workshop targets those students who are not at all familiar with Latex. Dr. R. P. Mahajan and Prof. K. B. Rokade were the trainers of this workshop.

About the workshop:

LATEX is a document preparation system. LaTeX is a high-quality type setting system; it includes features designed for the production of technical and scientific documentation. Latex is available as free software. The workshop primarily meant for all researches in various discipline. Any researchers need to bring out the quality of research work by publisher his or her papers in peer reviewed journals. Most of the peer reviewed journals require the paper to be submitted in Latex format. Latex provides a facility for portable document format (pdf) and post script (ps) type of output.

Objectives of Workshop

To expose the student in emerging technologies in the areas of Documentary Designing System. Participants will develop a basic understanding of how to make a documentary or how to work with the designing techniques. This workshop introduces fundamental concept of making documentary more suitable and attractive and at the greatest ease.

Trainer: Dr. R.P. Mahajan and Shri. K. B. Rokade

Eligibility: First and Second year Post Graduate Mathematics Students.

Prerequisite: Basic knowledge of MS word which is a look alike of LaTeX.

Dr. D. R. Patil

PRINCIPAL

R. C. Patel Educational Trust's
R. C. Patel Arts, Commerce and Science College
Shirpur, Dist.-Dhule (M.S.) 425405

Glimpses of the event

Shri. K. B. Rokade conducted training program on Research Paper Writing, Research Methodology, and Scientific Writing in LATEX on March 21st, 2023.

Dr. R.P. Mahajan conducted hands-on training for LaTeX on March 21st, 2023.

About the College:

The R. C. Patel education trust is a profound educational movement offering secondary and tertiary education since last 25 years to the rural and tribal students of this region. Besides the conventional Arts, Commerce and Science streams, the college also runs several self-finance courses according to student demand. Previously, the college has undertaken two assessment and accreditation cycles of NAAC and accredited with 'B' grade on both the assessments. The majority of the students admitted in this institute come from the rural, economically backward and agriculture background for whom higher education is still out of reach.

About the Seminar

Intellectual Property Rights in the field of Biotechnology and the Life Sciences has been high on the agenda of the policymakers from last decade. Moreover, here has been a wide and

ongoing debate on the nature and scope of these rights particularly for plant varieties, GMOs, pharmaceuticals and novel drugs. WIPO has defined these rights as rights accruing from creations of mind. But, the value of Intellectual Property does not lie merely in creation and development rather in its commercialization. Intellectual Property is a powerful commercial asset whose commercialization is yet to be fully developed in India. However, the lack of awareness and the cumbersome process of getting protection to these rights have led to numerous incidents of plagiarism, stealing of traditional knowledge of local communities, amongst others. Large scale schemes and programs spreading awareness among people including communities and students is the need of the hour.

The theme of seminar

- Intellectual Property: Concept
- Intellectual Property Rights: Emerging Issues and challenges
- Evolution of Biotechnology and Patents
- Protection of Traditional Knowledge

- Plant Variety Protection
- Pharmaceutical Patents and Public Health

Registration

- There is no registration fee. However, participants must register themselves through Google form.

Report of the program

The Workshop started at 10:30 A.M with the inauguration program at the Seminar hall at R. C. Patel ASC College, Shirpur, with enlighten of lamp to Goddess Saraswati which was followed by Felicitation of respected Guests. After introduction of Hon'ble chief guest Dr. Arun G. Ingale, Professor, Professor & Head, Department of Biotechnology, SLS, KBCNMU, Jalgaon. He guided the students with his valuable words.

He explained the importance of IPR in future education programs and how these new policies are important for innovation and scientific discoveries. He explained the current scenario with some interesting examples and how these changes in the education system can be beneficial for students as well as teachers. He also guided the students in some fields like problem solving skills, critical thinking abilities of the students and some other beneficial skills important for students in their academic life. The session was thoroughly informative for students as well as faculty members.

After the first session and a quick Tea break, the Second session started immediately. This session was carried out by Prof. Mahendra Patil, Dept. of Political Science, S.P.D.M College, Shirpur. He carried out the session with his valuable knowledge regarding the "Upcoming Changes in the Universities". He distinguished the past scenario with upcoming conditions on the IPR, patents and innovations. This session was followed by Lunch break which was at 1:30 P.M, and the next session was arranged at 2:00 P.M.

At the end, a sincere Vote of Thanks to all the dignitaries was given by Dr. R. H. Patil, Head, Dept. of Microbiology, R. C. Patel ASC College, Shirpur.

Program ended at approximately around 3:30 P.M.

All the sessions were very refreshing and were enjoyed by Students as well as Faculty members who attended the session.

Glimpses of the Seminar

Hon'ble Chief Guest Dr. Arun G. Ingale highlighted the importance of IPR in future education programs, emphasizing how these new policies are crucial for innovation and scientific discoveries on February 28th, 2023.

Shri Bhagwat
Geeta
Chapter 2
verse 63

क्रोधोद्भवति सम्मोहः सम्मोहात्स्मृतिविभ्रमः
स्मृतिभ्रंशाद् बुद्धिनाशो बुद्धिनाशात्प्रणश्यति ॥

Core Philosophy

A person with anger loses control to judge what is right and wrong. Hence, he destroys the power of his intellect and as it says without intellect, a person can not achieve anything in life. He will be doomed.

WWW.NATIONALOLYMPIADS.COM

"क्रोध से मूढ़ता उत्पन्न होती है, मूढ़ता से स्मृति भ्रान्त हो जाती है, स्मृति भ्रान्त हो जाने से बुद्धि का नाश हो जाता है और बुद्धि नाश होने पर प्राणी स्वयं नाश हो जाता है"
- भगवान कृष्ण

Counselling

- If you feel that your anger is really out of control, if it is having an impact on your relationships and on important parts of your life, you might consider **counseling to learn how to handle it better**.
- When you talk to a prospective therapist, tell her or him that you have problems with anger that you want to work on, and ask about his or her approach to anger management.

शिरपुर : येथील आर. सी. पटेल कला, वाणिज्य व विज्ञान महाविद्यालयात आर.सी.पी. सायकॉलॉजी क्लब मानसशास्त्र व मराठी विभागातर्फे व्यक्तिमत्त्व विकास प्रशिक्षण कार्यशाळा संपन्न झाली.

सदर कार्यशाळा ही दि. २८ फेब्रुवारी ते ४ मार्च २०२२ या दरम्यान ऑनलाइन झूम पवर संपन्न झाली. विद्यार्थ्यांच्या सर्वांगीण व्यक्तिमत्त्वाचा विकास घडवून आणणे व विविध भाषिक कौशल्ये विद्यार्थ्यांमध्ये विकसित करणे हा या कार्यशाळेमागचा उद्देश होता. प्रस्तुत विभागांतर्गत विविध

आर. सी. पटेल महाविद्यालयात व्यक्तिमत्त्व विकास प्रशिक्षण कार्यशाळा

कार्यक्रमांचे आयोजन केले जात असते त्याचाच एक भाग म्हणून ही व्यक्तिमत्त्व विकास प्रशिक्षण कार्यशाळा होती.

या 'व्यक्तिमत्त्व विकास प्रशिक्षण' कार्यशाळेमध्ये संपूर्ण भारतातून विद्यार्थी, प्राध्यापक, शिक्षक सहभागी झाले होते. व्यक्तिमत्त्व विकास प्रशिक्षण कार्यशाळेमध्ये विविध तज्ञ प्राध्यापकांचे मार्गदर्शन लाभले. व्यक्तिमत्त्व विकास प्रशिक्षण कार्यशाळेचे उद्घाटन दि. २८ फेब्रुवारी रोजी एच. आर. पटेल अिषधनिर्माणशास्त्र

महाविद्यालयाचे प्राचार्य डॉ. संजय बारी यांनी केले. याप्रसंगी महाविद्यालयाचे प्राचार्य डॉ. डी. आर. पाटील अध्यक्षस्थानी होते. उपप्राचार्य डॉ. ए. एम. पाटील, डॉ. रमेश जाधव उपस्थित होते. या व्यक्तिमत्त्व विकास प्रशिक्षण कार्यशाळा आयोजना विषयी भूमिका व उद्देश समन्वयक डॉ. मिलिंद बचुटे यांनी कथन केला. मराठी विभागप्रमुख डॉ. सुधाकर चौधरी यांनी सूत्रसंचालन केले, तज्ञ प्राध्यापकांचा परिचय प्रा. मयुरी राजपूत यांनी केला. डॉ. आर. आर. वसावे हे या

व्यक्तिमत्त्व विकास प्रशिक्षण कार्यशाळेचे सहसमन्वयक आहेत. कार्यशाळेचे उद्घाटक डॉ. संजय बारी यांनी व्यक्तिमत्त्व विकास ही निरंतर चालणारी प्रक्रिया आहे, संवाद कौशल्य, रागाचे व्यवस्थापन हे महत्त्वाचे विषय असल्याचे स्पष्ट केले.

डॉ. रितू शर्मा (आदिती महाविद्यालय, दिल्ली) म्हणाल्या, व्यक्तिमत्त्व विकास हा समाजाचे भविष्य निर्माण करण्यासाठी महत्त्वाची भूमिका बजावत असतो. राग काय असतो? राग कसा ओळखावा, रागाची कारणे

व परिणाम, रागाचे निवारण याबद्दल मार्गदर्शन केले. रागाचे परिणाम स्पष्ट करताना, राग आल्यास माणूस चांगले किंवा वाईट याबद्दल विचार करित नसतो, त्यामुळे त्याची बुद्धी भ्रष्ट होते. रागामुळे माणूस दुसऱ्याचे वाईट करू इच्छितो परंतु त्यामुळे स्वतःचेही नुकसान होते. राग हा स्वतःला शिक्षा देण्याचे एक साधन आहे. त्यामुळे स्वतःचे नुकसान होते म्हणून स्वतःवर विश्वास असला पाहिजे. रागाला सकारात्मक व नकारात्मक अशा बाजू असतात. रागाला नियंत्रित करणे आवश्यक असते.

डॉ. ए. एम. पाटील यांनी व्यक्तिमत्त्व विकासामाठी सकारात्मक विचार आवश्यक असतात, त्यामुळे मानवी वर्तन, आरोग्य व सामाजिक वातावरणात सुधारणा होत असते असे सांगितले. प्रशिक्षण कार्यशाळेच्या दुसऱ्या दिवशी दि. १ मार्च रोजी डॉ. नागोराव डांगरे यांनी 'पॉजिटिव्ह थिंकिंग' या विषयावर मार्गदर्शन करतांना सांगितले, सकारात्मक दृष्टिकोण ठेवून आपण विचार केला पाहिजे. सकारात्मक दृष्टिकोन असेल तर आपल्याला जीवनात आनंद निर्माण करता येईल. आपल्या पूर्वानुभवावरून आपण विचार करून पुढे गेलो तर सकारात्मक दृष्टिकोन विकसित करता येईल असे प्रतिपादन केले. डॉ. रविन्द्र शिंदे (विवेकानंद महाविद्यालय, औरंगाबाद) यांनी 'ताणाचे व्यवस्थापन' या विषयावर मार्गदर्शन केले.

“One Day Workshop on Entrepreneurship Development”

Organized by

Department of Commerce in association with IQAC,

An Event Report

1. **TITLE OF THE ACTIVITY-** “One Day Workshop on Entrepreneurship Development”

2. **PURPOSE AND OBJECTIVES-** One day workshop on “**Entrepreneurship Skills Development**” is well structured focuses on different aspects of Startup, to provide a broad foundation in commerce and management that succeeds in industries or professional level. The workshop has the objective of introducing the participants with fundamental of entrepreneurship development so that they can understand the requirements and challenges in this area.

The applied aspect of this workshop will be the practical sessions where they can apply this knowledge about concept of Entrepreneurial Development.

3. **ORGANISING DEPARTMENT-** Department of Commerce

4. **DATE-** 16th Sept. 2022

5. **CLASS AND PARTICIPANTS-** Students from B.COM.-III, M.COM.-I and M.COM.-II
(Total Participants = 142)

6. **VENUE:** Seminar Hall, R. C. Patel Arts, Commerce and Science College, Shirpur.

7. **Highlights of the Program:**

- Main concept and components of Entrepreneurship Development.
- Relationship between innovation and entrepreneurial development.
- Theories of innovation and entrepreneurial development.
- The various techniques of innovation and promoting entrepreneurial culture and decision making.

8. **Key points discussions:**

- After attending this workshop, the participants will be able to

understand the challenges,

- Prospects, issues, concerns, opportunities, legal and procedural issues of entrepreneurship development and related issues.

9. Brief review on program:

The event witnessed huge participation of around at Seminar Hall, R. C. Patel Arts, Commerce and Science College, Shirpur as on 16th Sept. 2022 for B.COM-III, M.COM-I and M.COM-II total 142 students' aspirant of having able startups and to become entrepreneurs. Mr. Rahul Baviskar, Director at Swadeshi Handicrafts Private Limited, Director at Aasra Innovations and Multipurpose Foundation, Dhule inaugurated and addressed that Institute is striving for developing innovation skills and zeal among the students to have their own start-ups. He also emphasized that Innovation Club and Entrepreneurship Cell have been established with a vision to explore the inherent capabilities of young technocrats for Innovative solutions of existing problems of the society and industry.

Further he stressed that to some budding entrepreneurs regarding State and Central Govt startups loan schemes, MITCON, The All-India Council for Technical Skill Development (AICTSD) was formed to work towards "Mission India – 2020-30". The main objective of AICTSD is to create leaders from the student community at the national level. Additionally, AICTSD is working towards creating collaboration between academic institutes and industries, so that academic institutions can improve with the changing world.

He also emphasized and appealed to the students and general public of northern states to take advantage of this golden opportunity where in not only mentoring and space will be provided but initial funds for the establishment of start-ups be provided.

Vote of thanks was given by Dr. S.G.Pingle where she thanked the resource person for providing her valuable time to make this workshop interesting and valuable for the research scholars & faculty members. She also thanked the organizing team for making this event a grand success.

The team of faculty members included Mrs. M. G. Vaidya under the guidance of HOD Madam, Program co-coordinator Dr. S.G. Pingle and other team members Mr. U. G. Patil, Mr. A. S. Jain, Mrs. P. D. Shravgi, Mrs. S. C. Pinjari, Mr. P.G. Sonar worked efficiently to make the competition a grand success. This event is very informative and knowledge enriching for students.

10. Outcomes of the Workshop:

This workshop helped students identify what they know and what they don't know. The

participation in workshop showed that the students really like these platforms in which they increased their knowledge.

The students then have a better idea of how well they are grasping the material, hopefully motivating them to study more and helping them allocate their study time effectively by focusing on the information that still needs more practice.

Workshop on Intellectual Property Rights

Organized by: Department of Physics,
R. C. Patel Arts, Comm. & Sci. College, Shirpur.

Date: 24/09/2022

Venue: Seminar Hall, R. C. Patel Arts, Comm. & Sci. College, Shirpur.

Objective of the Workshop:

The workshop on Intellectual Property Rights (IPR) aimed to enhance participants' understanding of the importance of intellectual property in various fields and industries. The primary focus was on providing insights into different aspects of intellectual property, including patents, trademarks, copyrights, and trade secrets.

Key Points and Highlights:

1. Introduction to Intellectual Property:

- Definition and significance of intellectual property.
- Different types of intellectual property: patents, trademarks, copyrights, and trade secrets.

2. Understanding Patents:

- Explanation of the patenting process.
- Importance of patent protection for inventions and innovations.
- Case studies highlighting successful patent strategies.

3. Trademark Essentials:

- Overview of trademarks and their role in branding.
- Steps for trademark registration.
- Trademark infringement and enforcement.

4. Copyright Protection:

- Basics of copyright law.
- Copyright registration process.
- Fair use and infringement issues.

5. Trade Secrets and Confidential Information:

- Importance of safeguarding trade secrets.
- Legal measures for protecting confidential information.
- Case studies on trade secret disputes.

6. IPR in the Digital Age:

- Challenges and opportunities in the digital era.
- Addressing intellectual property issues in the online environment.
- Emerging trends in digital copyright.

7. Global Perspective on IPR:

- Overview of international intellectual property treaties and agreements.
- Strategies for global intellectual property protection.
- Considerations for businesses operating in multiple jurisdictions.

8. Enforcement and Litigation:

- Legal remedies for intellectual property infringement.
- Role of litigation in protecting intellectual property rights.
- Alternative dispute resolution mechanisms.

Interactive Sessions and Workshops:

The workshop included hands-on sessions and group activities to allow participants to apply theoretical knowledge to practical scenarios. Mock case studies, role-playing exercises, and group discussions were conducted to enhance participants' problem-solving skills and deepen their understanding of real-world intellectual property challenges. More than 40 students were participated in the workshop.

Guest Speakers:

Eminent expert and practitioner in the field of intellectual property **Dr. L.A.Patil** were invited to share their experiences and insights. Their presentations provided valuable perspectives on the practical aspects of intellectual property management and enforcement.

Feedback and Participant Engagement:

The workshop received positive feedback from participants, emphasizing the practical relevance of the content and the effectiveness of the interactive sessions. Attendees expressed a heightened awareness of intellectual property issues and a better understanding of how to navigate the complexities of intellectual property rights.

Conclusion:

The workshop on Intellectual Property Rights successfully achieved its objectives by equipping participants with a comprehensive understanding of intellectual property concepts and their applications. It served as a platform for knowledge exchange and facilitated networking among professionals in the field. The event concluded with a renewed commitment from participants to uphold and protect intellectual property rights in their respective domains.

Brief review –

The Intellectual Property Rights (IPR) workshop proved to be an insightful and engaging event, offering participants a thorough exploration of key concepts and practical applications in the field of intellectual property. The workshop effectively covered a broad spectrum of topics, including patents, trademarks, copyrights, and trade secrets.

One of the notable strengths of the workshop was its emphasis on interaction and hands-on learning. Through group activities, case studies, and role-playing exercises,

participants were able to apply theoretical knowledge to real-world scenarios, fostering a deeper understanding of the complexities involved in protecting intellectual property.

The inclusion of experienced guest speakers enriched the program by providing practical insights and real-world examples. Their contributions added a valuable dimension to the workshop, offering participants a glimpse into the challenges and opportunities in managing intellectual property in various industries.

The global perspective on IPR and discussions on the digital age showcased the workshop's commitment to addressing contemporary issues. The content was not only relevant but also forward-looking, preparing participants for the evolving landscape of intellectual property in the modern era.

Feedback from participants highlighted the effectiveness of the workshop in enhancing their awareness of intellectual property issues. The positive response indicates that the event successfully met its objectives, leaving attendees better equipped to navigate the intricacies of intellectual property rights.

In conclusion, the IPR workshop was a well-organized and impactful initiative, providing a comprehensive overview of intellectual property concepts and their practical applications. The combination of informative sessions, interactive activities, and expert insights made it a valuable experience for professionals seeking to strengthen their understanding of intellectual property rights.

Workshop on Research Methodology for M.Sc .Students

Organized by: Department of Physics,
R. C. Patel Arts, Comm. & Sci. College, Shirpur.

Date: 15/01/2023

Venue: Seminar Hall, R.C.Patel Arts, Comm. & Sci. College, Shirpur.

Introduction:

The workshop on research methodology for MSc students aimed to equip participants with essential skills and knowledge required for conducting high-quality research. The event covered a range of topics, including research design, data collection methods, statistical analysis, and ethical considerations. More than 30 students were participated in the workshop.

Key Points:

- **Research Design:**

Emphasized the importance of a well-defined research question and objectives.
Discussed various research designs such as experimental, observational, and case study designs.
Highlighted the significance of choosing an appropriate design based on the research goals.

- **Literature Review:**

Stressed the need for a thorough literature review to identify existing gaps in knowledge.
Demonstrated effective strategies for searching and reviewing academic literature.
Discussed methods for critically evaluating and synthesizing research findings.

- **Data Collection Methods:**

Covered both qualitative and quantitative data collection techniques.
Explored surveys, interviews, observations, experiments, and archival research.
Addressed the strengths and limitations of each method and the importance of selecting the most suitable one for the research question.

- **Statistical Analysis:**

Provided an overview of basic statistical concepts and techniques.
Demonstrated the use of statistical software for data analysis.
Emphasized the importance of interpreting and presenting statistical results accurately.

- **Ethical Considerations:**

Discussed ethical issues related to human and animal research.
Emphasized the importance of obtaining informed consent and ensuring participant confidentiality.
Addressed the need for honesty and integrity in all stages of the research process.

Highlights:

Interactive Sessions:

Engaged participants in hands-on activities and group discussions to reinforce learning.
Provided practical examples and case studies to illustrate key concepts.

Expert Speakers:

Invited experienced researcher **Dr. R.M.Shewale** to share his insights and experiences.
Facilitated Q&A sessions, allowing participants to interact directly with experts.

Practical Applications:

Encouraged participants to apply the learned concepts to their own research projects.
Provided guidance on developing research proposals and refining research questions.

Brief Review:

The workshop on research methodology received positive feedback from participants, who appreciated the comprehensive coverage of essential topics. The interactive nature of the sessions, coupled with real-world examples and expert insights, enhanced the overall learning experience. The practical applications and guidance on research proposal development were particularly well-received, as they bridged the gap between theoretical knowledge and its application in the field.

Overall, the workshop successfully equipped MSc students with the foundational skills and knowledge needed to conduct rigorous and ethical research. The participants left with a better understanding of research methodologies and a heightened ability to critically evaluate and design research studies.

“One Day Workshop on Research Methodology”

Organized by

Department of Commerce in association with IQAC,

An Event Report

A REPORT ON

ONE DAY WORKSHOP ON “RESEARCH METHODOLOGY”

1. TITLE OF THE ACTIVITY- “One Day Workshop on Research Methodology”

2. PURPOSE AND OBJECTIVES- A Golden opportunity for students of commerce to explore & improve their research knowledge skills. Besides the obvious academic benefits of expanding a student's knowledge and exploring new skills at an early age, a one-day workshop redefines the education system in significant ways.

3. ORGANISING DEPARTMENT- Department of Commerce

4. DATE- 15th Feb. 2023

5. CLASS AND PARTICIPANTS- Students from B.COM.- III, M.COM.- I and M.COM.- II
(Total Participants = 144)

6. VENUE: Seminar Hall, R. C. Patel Arts, Commerce and Science College, Shirpur.

7. Highlights of the Program:

- Need for research in a related field.
- Motivation in research methods versus methodology.
- Sources of information
- Writing skills, reporting practical and project work.

8. Key points discussions:

- Basics of research, types of research, process of research and methods.
- Conducting research work and formulating research paper, synopsis and report.
- Understanding of how scientific questions are developed and posed through proposals and dissemination of research results.
- Statical method of collecting and analyzing information.

9. Brief Review on Program:

Department of Commerce successfully conducted one-day workshop on **Research Methodology** at Seminar Hall, R. C. Patel Arts, Commerce and Science College, Shirpur as on 15th Feb. 2023 for B.COM. -III, M.COM. -I and M.COM. -II total 144 students.

During the session, Dr. D. B. Bhakkad discussed the fundamentals of Research & Various Methods. He gave an excellent presentation on Research Methodology which was extremely informative. He further explained about the usage of SPSS & AMOS. Participants got hands-on training on data analysis. After the end of presentation Question-Answer round was there where participants cleared their doubts related to research.

Vote of thanks was given by Dr. S. G. Pingle for providing her valuable time to make this workshop interesting and valuable for the research scholars & faculty members. She also thanked the organizing team for making this event a grand success.

The team of faculty members included Mrs. M. G. Vaidya under the guidance of HOD Madam, Program co-coordinator Dr. S. G. Pingle, and other team members Mr. U. G. Patil, Mr. A. S. Jain, Mrs. P.D. Shravgi, Mrs. S. C. Pinjari, Mr.

P.G. Sonar, worked efficiently to make the competition a grand success. This event is very informative and knowledge enriching for students.

10. Outcomes of the Workshop: This workshop helped students identify what they know and what they don't know. The participation in workshop showed that the students really like these platforms in which they increased their knowledge.

The students then have a better idea of how well they are grasping the material, hopefully motivating them to study more and helping them allocate their study time effectively by focusing on the information that still needs more practice.

**Entrepreneurship Development Workshop
On
“Preparation of Jam”**

**Organized by
Department of Botany
R. C. Patel Arts, Commerce and Science College, Shirpur**

Key Note Speaker: Name: Mr.Y. S.Koli

- Designation: Assistant Professor
- Qualification : M.Sc. Botany
- Email ID : yogeshkoli26195@gmail.com

Day and Date of Program: Monday 16/01/2023

Brief review on program:

Aim of workshop

1. To aware the students about home made products.
2. Making fresh fruit jam from available fruits.

Department of Botany R. C. Patel Arts, Commerce and Science College Shirpur Conducted the Workshop on the topic of preparation of Mix Fruit Jam with the help of fresh fruit. Mr.Y.S. Koli Sir available for the guidance on Mix Fruit Jam and the attendee of the workshop are our UG & PG Student of Botany .

Sir explain the process of mix fruit jam preparation many seasonal fruits are keep in used of mix fruit jam like apple, papaya, chiku, plum, mango, grapes, pineapple, banana, guava etc. Jam is

the product made by boiling fruit pulp with sufficient quantity of sugar to a reasonably thick consistency.

Sir gives a knowledge About Homemade product and their health benefits of having fruit jam like less cholesterol and fat content because it is made up of fruit. Improves hair, skin and fingernail health, reduces risk of heart attack, Fruit jam is highly nutritious and can be consumed as breakfast item spread on the bread and chapatti. One major benefits of investing in the fruit jam making business because people usually go for healthier jam's choices because it has more fruit in it and less sugar. Fruit jams are rich in immune –improving substances.

**Entrepreneurship Development Workshop
On
“Preparation of Drug from Medicinal Plant”**

**Organized by
Department of Botany
R. C. Patel Arts, Commerce and Science College, Shirpur**

Key Note Speaker: Name: Mr. S. K. Patil.

- Designation: Assistant Professor
- Qualification : M. Pharmacy
- Experience: 12 Yrs.
- Email ID : shaktipal.patil@hrpatelpharmacy.co.in

Highlights of the Program:

- Motivation for use of herbal medicine.
- Need of Herbal Medicine In day to day life.
- Aware the students about use of Herbal Medicine.
- Use of Medicinal plant in new Research area.

Day and Date of Program: Friday 17/02/2023

Brief review on program:

Aim of workshop

1. To aware the students about herbal medicines
2. Making medicines from plants
3. Plant parts use to make medicines
4. Herbal Medicines useful for our good health.

Department Of Botany R. C. Patel Arts ,Commerce And Science College Shirpur. Conducted Seminar On the Topic Of “Preparation Of Drug From Medicinal Plant” and available key note speaker was S.K. Patil sir.

Ever since ancient time in search for rescue for their disease the people looked for drugs in nature. The concept of preparation of medicines by medicinal plants involves the easy steps timely selection and collection of plants according to their properties and authentication by an expert.

Common method for the preparation of herbal medicinal plants is included decoction, powdering, drying, peeling and extraction with alcohol. Sir, discuss about how this herbal medicines used by us in day to day life.

Medicines prepared by all plants part such as leaves, stem, root, and some secretion substances like oil, milky latex , gum etc.

S. K. Patil sir gives some examples like how turmeric use to purify blood and prevent skin acne, how neem (*Azadirachta indica*) use for antifungal and antibacterial disease medicine and many more Herbal plants example and there use in making Medicines .

Workshop on Entrepreneurship of Poultry
Organized by
Department of Zoology
R. C. Patel Arts, Commerce and Science College, Shirpur

Key Note Speaker:

Mr. Jitendra Sisodiya
(Expert in poultry farm)
Shirpur, Dhule

Background of the Program:

Date of the event: 15 Nov. 2023

Venue: Jaitpur (Shirpur)

The Indian Poultry sector has taken a quantum leap in the last four decades, emerging from conventional farming practices to commercial production system with state-of-the-art technological interventions. Poultry is one of the fastest growing segments of the agricultural sector in India today, with production of eggs and broilers rising at a rate of 8 to 10% per annum. As a result, India is now the world's fifth largest egg producer and the eighteenth largest producer of broilers. Nonetheless, the country has untapped potential in terms of value-added production, feed production, etc and has the capability to position India as a world leader. Using modern intensive farming techniques, global production has reached 133.4 mil. t in 2020, with a steady growth each year. To increase egg and meat production in order to suffice the high demand in the state. Such intensive growth methods however lead to a significant. Poultry farming is animal husbandry that raises fowl for meat and eggs. A poultry farm needs some basics like a bird shelter, food, water, bedding, and an energy source to control temperature and lighting. The poultry farmer must feed the birds, clean the shelter, check bird health, and maintain a water supply.

Highlights of the Programme.

- Number and quality of chicks.
- Dwarf parent for commercial chick production.
- Low maintenance requirements.
- Tolerance to high temperature in summer.
- Ability to utilize cheap agricultural byproduct. Suggest Corrections
 - Nutritional Importance

Key points discussions:

- Basics process of rearing of domesticated birds (poultry) for meat, eggs and feathers has been a staple of food production since the advent of agriculture.
- Poultry birds are needed to be maintained in a strictly hygienic manner with proper housing
- It provides a stable protein supply as well as food and nutritional security for a wide range of populations in rural areas around the world, especially in developing countries.
- Poultry discusses the current knowledge on the impact of intensive poultry farming on environmental and human health, as well as taking a look at solutions for a sustainable future.

Brief review on program:

The Zoology department was organized **workshop on** Entrepreneurship under the guidance of Principal and head of department .This Entrepreneurship has been organised on 15 Nov.2023 This was very helpful for you to and its significance, thus all opportunities to gain knowledge through practical learning. Today poultry industry is the fastest growing sector of India's agriculture. To get the full impact of its rapid escalation, it would be interesting to trace the evolution of poultry development in India. Today poultry industry has reached a stage of sophistication. A network of over commercial feed mills, veterinary pharmaceuticals and equipment manufacturers has made poultry farming a dynamic agricultural business. These commercial activities have been duly supported by Research and Development back-up from various educational and research institutions. A high quality poultry feed gives a proportionately much higher production and helps in minimizing incidence of disease out breaks. Better quality poultry feed, together with improved management practices has resulted in a higher egg production.

One Day Workshop

On

“Research Methodology”

Organized by

Department of Computer Application and Management in association with IQAC

Name of Activity:-Workshop on Research Methodology

Date: 23rd Feb. 2023

Time: 09:00am to 2:00pm

Duration: - 1 Days

Name of Guest:

Hon. Prof. Dr. K. G. Kanade (Principal, RSS's Anna Saheb Awate college, Manchar)

Hon. Prof. Dr. D. R. Patil (Principal RCP ACS, Shirpur)

Hon. Prof. Dr. A. M. Patil (Vice Principal, RCP ACS, Shirpur)

Hon. Prof. Dr. R. D. Jadhav (Vice Principal, RCP ACS, Shirpur)

Ms. Manasi Vaidya (HOD, Dept. of Computer Application and Management)

No. of beneficiaries: All Staff and 211 students

Background of the Program:

One day workshop on “**Research Methodology**” is well structured focuses on different aspects of research, to provide a broad foundation in Computer Application and Management that succeeds in Industries or professional level, to expose the students to a breadth of experimental techniques using modern Information Technology, to learn professionalism, including the ability to work in teams and apply basic ethical principles. This workshop will bring a positive transformation in the student's attitude while doing the Research Work, Paper Presentation, Project Work, Data Analysis on and definite result oriented.

The workshop was conceptualised with the intention of knowledge-building on the fundamentals of research concepts, methodologies and processes in addition to providing hands-on training in synopsis/thesis writing with inputs on the essentials of academic writing.

Objectives of the Program:

- To develop knowledge on the fundamentals of research.
- To build knowledge on research design, application & data analysis.
- To develop skills for synopsis/thesis development & academic writing.
- Need for Research in a related field.
- Motivation in Research Methods versus Methodology.
- Sources of information Writing Skills, Reporting practical and project work.

Key points discussions:

- Basics of research, process of research and methods.
- Conducting research work and formulating research synopsis and report.
- Quantitative Methodology : Research Design, Sampling, Design and Application
- Data Analysis and Presentation In Quantitative Research

Brief review on program:

The Program was organized by Department of Computer Application and Management at R.C.Patel Arts Commerce and Science College, Shirpur. The programme started at 9:00 am with the welcome of guests and participants with Saraswati Vandana and Virtual lamp Lighting. The programme was inaugurated by invited guest Hon. Prof. Dr. K. G. Kanade, Principal of Collage Hon. Prof. Dr. D. R. Patil, vice Principal of College Hon. Prof. Dr. A. M. Patil & Head Of Department Ms. Manasi Vaidya., Hon. Prof. Dr. D. R. Patil has given forward of a program. The inaugural function was attended by all the teaching staff and the students of BCA and BMS(e-Comm). The workshop started on Fundamentals of Research and Qualitative Methodology: Research Design, Sampling Design & application was taken by Prof. Dr. K. G. Kanade who is Principal, of Annasaheb Awate College, Manchar, Pune

Department of Computer Application and Management successfully conducted “**Workshop on Research Methodology**” at S.M.Patel Auditorium Hall, Shirpur as on 23rd Feb. 2023 for BCA and BMS.-I-II Students.

The Seminar Guest of Prof. Dr. K. G. Kanade, he is a Principal, of Annasaheb Awate College, Manchar Pune, he delivered lecture on about ‘Fundamentals of Research’ and ‘Qualitative Methodology: Research Design, Sampling Design & application.

The team of faculty members Ms. Manasi Vaidya(Hod), Mr. A. V. Tirthap, Ms. A.V. Jagtap,(Program Co-Ordinator) and other team Mrs. H. N. Bhavsar, Mr. R. M. Suryawanshi, Mr. G. K. Bide. Worked efficiently to make the workshop successful.

The students enthusiastically participated and showcased their brilliance by rapidly answering the questions. Though some of the questions were very tricky, the students tried to answer them with confidence. This event was very informative and knowledge enriching for students. This lecture helped students identify what they know and what they don't know. The participation in Workshop showed that the students really like these platforms in which they increased their knowledge. The students got the idea of how they do Research and Data Analysis effectively. Vote of thanks given by Mr. G. K. Bide.

Science College, Shirpur,**

**Dist: Dhule (NAAC Re-accredited
'B⁺⁺' Grade)**

Website: www.rcpasc.ac.in

About the College:

The R. C. Patel education trust is a profound educational movement offering secondary and tertiary education since last 25 years to the rural and tribal students of this region. Besides the conventional Arts, Commerce and Science streams, the college also runs several self-finance courses according to student demand. Previously, the college has undertaken two assessment and accreditation cycles of NAAC and accredited with 'B' grade on both the assessments. The majority of the students admitted in this institute come from the rural, economically backward and agriculture background for whom higher education is still out of reach.

About the Seminar

The "State Level Workshop On Research Methodology and Research Paper Writing in Mathematics" is a comprehensive event aimed at equipping participants with the necessary skills and knowledge to effectively write and publish research papers in the field of mathematics. The seminar will provide valuable insights into various aspects of the research paper writing process, including topic selection, literature review, methodology, data analysis, and

presentation of results. Expert mathematicians and researchers will lead interactive sessions, share best practices, and offer guidance on overcoming common challenges encountered during the research paper writing journey. Additionally, participants will have the opportunity to engage in discussions, ask questions, and network with peers and professionals in the field. By attending this seminar, participants will gain valuable expertise and confidence to produce high-quality research papers that contribute to the advancement of mathematics.

Registration

- There is no registration fee.

Last Date of registration: Feb. 25, 2023

Programme:

The program will be conducted through offline mode.

Report of the program

The Workshop started at 10:30 A.M with the inauguration program at the Seminar hall at R.C. Patel ASC College, Shirpur, with enlighten of lamp to Goddess Saraswati which Dr..Dinesh Bhakkad, Professor & Head, Department of Mathematics, SLS, KBCNMU, Jalgaon. He guided the students with his valuable words.

He explained the research paper in mathematics involves several key steps first step is choosing a topic and selected a specific area within mathematics that interests you. For ex. Current research, second step is literature review and understand the current state of knowledge in your chosen topic, third step is formulating a thesis statement, fourth step is methodology, fifth step is result, six step is discussion, seven step is conclusion, next step is references and last step is revision and proofreading.

After the first session and a quick Tea break, the Second session started immediately. This session was followed by Lunch break which was at 12:30 P.M, and the next session was arranged at 2:00 P.M.

At the end, a sincere Vote of Thanks to all the dignitaries was given by Dr. Dinesh Bhakkad, Head Dept. of Mathematics, R. C. Patel ASC College, Shirpur.

Program ended at approximately around 4:30 P.M.

Seminar on Intellectual Property Rights (IPR) Awareness Mission
Organized by Department of Zoology

Date of the event: 26 Sept, 2022

Venue: SM Patel Auditorium Hall, R. C. Patel Arts, Commerce and Science College, Shirpur

Overview of the program:

Organized a workshop focused on Research Methodology. This event was aimed at enhancing the research skills of the participants and providing them with the necessary tools and knowledge to conduct scientific research effectively.

Objectives of the workshop:

- Intellectual Property: Concept
- Intellectual Property Rights: Emerging Issues and challenges
- IPR Protect and incentivize innovation in biodiversity conservation, wildlife Management and Zoological studies.
- Management in Zoological research and related field.

Brief report of the program:

The Seminar started at 11 A.M with the inauguration program at the Seminar hall at R. C Patel A S C College, Shirpur, with enlighten of lamp to Goddess Saraswati which was followed by Felicitation of respected Guests. After introduction of Hon'ble chief guest Dr. Umesh S.Bari, Live Stock Officer, Shirpur. He guided the students with his valuable words. He explained the importance of IPR in future education programs and how these new policies are important for innovation and scientific discoveries. He explained the current scenario with some interesting examples and how these changes in the education system can be beneficial for students as well as teachers. He also guided the students in some fields like problem solving skills, critical thinking abilities of the students and some other beneficial skills important for students in their academic life. The session was thoroughly informative for students as well as faculty members.

At the end, a sincere Vote of Thanks to all the dignitaries was given by Dr.M.C.Agale, Head, Dept. of Zoology, R. C. Patel ASC College, Shirpur.

All the sessions were very refreshing and were enjoyed by Students as well as Faculty members who attended the session

Glimpses of the workshop

Hon'ble Chief guest Dr. Umesh S. Bari, Live Stock Officer discussed awareness about IPR dated on 26th Sep, 2022
