# "Excel Edge: Mastering Success in Competitive Exams Workshop"

Organized by: Department of Zoology  
R.C.Patel Arts, Comm, & Sci. College Shirpur

Date: 27/01/2023

Venue: Seminar Hall, R.C.Patel Arts, Comm. & Sci. College, Shirpur.

## Introduction:

The "Excel Edge: Mastering Success in Competitive Exams" workshop was organized with the primary objective of equipping students with the skills and strategies needed to excel in competitive examinations. The event, held at seminar hall of college, brought together students from various academic backgrounds who aspire to pursue careers in competitive fields.

## Workshop Highlights:

**Opening Session:** The workshop commenced with Welcome of guest by Dr. M. C. Agale, HOD, and Department of Zoology. An opening session led by Dr. D. A Dhale a distinguished expert in the field of competitive exam preparation. He set the tone for the day, emphasizing the importance of a strategic approach and a positive mind set in achieving success in competitive exams.

**Keynote Address:** The keynote address provided valuable insights into the current trends in competitive exams, examination patterns, and effective time management techniques. Dr. Dhale drew on their extensive experience to motivate and inspire the participants.

**Strategic Study Techniques:** The workshop included interactive sessions on strategic study techniques tailored to various competitive exams. Participants engaged in discussions, group activities, and received personalized guidance on creating effective study plans.

**Mock Tests and Analysis:** Practical mock tests were conducted to simulate exam conditions and help students assess their strengths and weaknesses. Post-test analysis sessions, led by experienced mentors, provided participants with strategies to improve their performance and tackle challenging questions.

**Expert Panel Discussion:** An expert panel discussion featured professionals from the education sector and successful exam candidates who shared their personal journeys, challenges faced, and tips for overcoming obstacles. This session provided a platform for students to interact with experienced individuals and gain valuable insights.

**Effective Stress Management:** Recognizing the importance of mental well-being during exam preparation, the workshop included a session on stress management. Experts guided participants on practical techniques to manage stress, maintain focus, and stay motivated throughout the exam preparation period.

**Conclusion:** The "Excel Edge: Mastering Success in Competitive Exams" workshop proved to be a comprehensive and empowering experience for all participants. The knowledge gained, coupled with the motivation provided by the speakers and mentors, is expected to significantly impact the participants' approach to exam preparation.

The Department extends sincere appreciation to Dr Dhale for their invaluable contributions to the workshop. Special thanks to all the facilitators, volunteers, and participants for making the event a success. The vote of thanks was proposed by Mrs. Gayatri Bhavsar.

This workshop report serves as a testament to the commitment of the organizers to provide meaningful resources and support to students striving for success in competitive exams. As we continue our journey to empower students, we look forward to organizing more workshops and events that contribute to their academic and professional growth.

## **Workshop on Competitive Exam preparation**

**Department of Computer Application and Management**

**Date: 01/02/2023**

**Venue:** R. C. Patel ACS Seminar Hall

### **Executive Summary:**

Competitive exams play a pivotal role in shaping the academic and professional future of students. This report aims to offer insights and recommendations based on Mr. Umesh Patil (PSI)'s expertise and experience in the field of education. This seminar organized by Department of Computer Application and Management on the theme of "**Effective methods and practices to enhance students' performance in competitive exams.**" This seminar aimed to provide students with insights into various career paths in Competitive exam within the field of Computer Application and Management. To establish a foundation for the proposed strategies, a thorough analysis of the current scenario at R. C. Patel A.C.S. College is necessary. This involves understanding the types of competitive exams 240+ students are targeting, their success rates.

### **Objective:**

#### **Holistic Learning Approach:**

The objective is to equip students not only with the knowledge required for competitive exams but also with critical thinking skills that transcend traditional examination boundaries.

#### **Customized Study Plans:**

The objective is to provide personalized guidance, ensuring that students receive the support necessary to excel in their chosen competitive exams.

#### **Interactive Learning Platforms:**

The objective is to create an engaging and dynamic learning environment that leverages online resources, virtual labs, and collaborative tools to enhance students' comprehension and retention of the subject matter.

#### **Monitoring and Evaluation:**

The objective is to track students' progress, analyze exam results, and collect feedback from both students and faculty to continuously refine and enhance the preparation methods.

#### **Cultivating Lifelong Learning:**

The objective is to prepare students not just for immediate academic success but to cultivate a

lifelong passion for learning, ensuring their adaptability and success in a rapidly changing educational landscape.

NET /SET coaching workshop (2022-23)

Objectives:

- To guide NET/SLET aspirants in the subjects of Microbiology and Biotechnology
- To provide an understanding about the methods for attempting paper-I, II, III.
- To provide a platform where the aspirants can get their doubts and queries cleared.
- To ensure that the participants benefit from the experiences of those who have cleared NET/SLET.
- To ensure that participants benefit from the guidance of the luminaries associated with the NET/SLET examination process.

Life Sciences Syllabus-Paper II

Unit	Syllabus
1.	<b>Cell Biology:</b> <ul style="list-style-type: none"><li>• Structure and function of cells and intracellular organelles (of both prokaryotes and eukaryotes), Mechanism of cell division including (mitosis and meiosis) and cell differentiation; Cell-cell interaction, Malignant growth, Immune response</li></ul>
2.	<b>Biochemistry:</b> <ul style="list-style-type: none"><li>• Structure of atoms, molecules and chemical bonds, Principles of physical chemistry, Thermodynamics, kinetics, dissociation and association constants, Nucleic acid</li><li>• structure, genetic code, replication, transcription and translation: Structure, function and metabolism of carbohydrates, lipids and proteins, Enzymes and coenzyme, Respiration and photosynthesis.</li></ul>
3.	<b>Fundamental Processes:</b> <ul style="list-style-type: none"><li>• DNA replication, repair and recombination (Unit of replication, enzymes involved, replication origin and replication fork, fidelity of replication, Extrachromosomal replicons, DNA damage and repair mechanisms, homologous and site-specific recombination).</li></ul>

	<ul style="list-style-type: none"> <li>• RNA synthesis and processing (transcription factors and machinery, formation of initiation complex, transcription activator and repressor, RNA polymerases, capping,</li> <li>• elongation, and termination, RNA processing, RNA editing, splicing, and polyadenylation, structure and function of different types of RNA, RNA transport).</li> <li>• Protein synthesis and processing (Ribosome, formation of initiation complex, initiation factors and their regulation, elongation and elongation factors, termination, genetic code, aminoacylation of tRNA, tRNA-identity, aminoacyl tRNA synthetase, and translational proof-reading, translational inhibitors, Post- translational modification of proteins).</li> </ul>
4.	<p><b>Immunology:</b></p> <ul style="list-style-type: none"> <li>• Cancer - Genetic rearrangements in progenitor cells, oncogenes, tumor suppressor genes, cancer and the cell cycle, virus-induced cancer, metastasis, interaction of cancer cells with normal cells, apoptosis, therapeutic interventions of uncontrolled cell growth.</li> <li>• Innate and adaptive immune system - Cells and molecules involved in innate and adaptive immunity, antigens, antigenicity and immunogenicity. B and T cell epitopes, structure and function of antibody molecules. generation of antibody diversity, monoclonal antibodies, antibody engineering, antigen-antibody interactions, MHC molecules, antigen processing and presentation, activation and differentiation of B and T cells, B and T cell receptors, humoral and cell-mediated immune responses, primary and secondary immune modulation, the complement system, Toll-like receptors, cell-mediated effector functions, inflammation, hypersensitivity and autoimmunity, immune response during bacterial (tuberculosis), parasitic (malaria) and viral (HIV) Infections, congenital and acquired immunodeficiencies, vaccines.</li> </ul>

**Name of Activity: Accenture Campus Selection Guidance**

**SessionDate: 14/11/2022**

**Time: 9 am to 11 am**

**No. of beneficiaries: 128 Students**

**Objective of Activity:**

Teachers instruct students on how to prepare for the campus drive during this session. Every student tries to select a campus, but they do not have the proper knowledge as per the drive procedure. The main goal of this session is to guide every student in the proper way.

**Program in Brief:**

The session was divided into three parts. First part introduction: in this part, the teacher provides proper guidelines for introducing themselves in front of the recruiter. The second part of this session will consist of a presentation on a topic of your choosing. This is also important because recruiters check the presentation skills of students, and the last part of the session is a telephone interview with questions and answers. In this session, the teacher will provide some examples using YouTube and show students live examples of how to respond to a telephonic interview.

**Outcome of Activity:**

- Students prepare them as per the Instructions given by teacher.

# **Title: Career Guidance Report by the Department of Mathematics**

## **Carrier Guidance for Mathematics**

The Career Guidance workshop was organized on Monday 11 September 2022 by department of mathematics. T.Y.B.Sc. and M.Sc. Mathematics students were the beneficiaries of the Programme. The detailed summary of the Programme is as below.

**Guide:** Dr.P.G.Bhadane and Dr.R.P.Mahajan.

**Executive Summary:** This report provides comprehensive career guidance tailored for T.Y.B.Sc. and M.Sc. students majoring in Mathematics. It aims to assist students in understanding potential career paths, leveraging their mathematical skills, and making informed decisions about their professional futures.

**I. Introduction:** The Department of Mathematics recognizes the significance of career guidance for students having mathematics as major subject. The report outlines the department's commitment to assisting students in translating their mathematical expertise into diverse and fulfilling career opportunities.

### **II. Overview of Mathematical Skills:**

#### **a. Analytical Skills:**

Highlight the importance of analytical thinking in various professions.

Showcase how mathematical training enhances analytical capabilities.

#### **b. Problem-Solving Abilities:**

Discuss the relevance of problem-solving skills in different industries. Provide examples of real-world problem-solving scenarios.

#### **c. Quantitative Literacy:**

Emphasize the value of quantitative literacy in decision-making processes. Connect quantitative skills to applications in business, finance, and science.

### **III. Career Paths for Mathematics Graduates:**

#### **a. Academic Research and Teaching:**

Detail opportunities in academia for those interested in research and teaching. Discuss the academic pathways available after completing **advanced degrees.**

#### **b. Industry Roles:**

Explore careers in industries such as finance, technology, data science, and healthcare.

Provide insights into how mathematical skills are applied in each sector.

#### **c. Government and Public Sector:**

## **Highlight opportunities in government agencies and public institutions.**

Showcase the impact of mathematical expertise in policy development and analysis.

### **iv. Skill Development and Additional Certifications:**

#### **a. Professional Development Opportunities:**

Recommend workshops, seminars, and conferences to enhance skills. Discuss the importance of staying updated on industry trends.

#### **b. Certifications:**

Provide information on certifications relevant to mathematics majors. Explain how certifications can boost employability in specific fields.

### **v. Alumni Success Stories:**

Showcase success stories of mathematics graduates in diverse fields.

Emphasize the versatility of a mathematics degree in different career trajectories.

### **vi. Guidance on Further Education:**

Offer advice on pursuing postgraduate studies in mathematics or related fields. Provide information on potential scholarships and research opportunities.

### **vii. Networking Opportunities:**

Recommend joining professional organizations and networking platforms.

Stress the importance of building connections within the mathematics community.

### **viii. Departmental Support:**

Outline the support services provided by the department, including career counseling. Encourage students to utilize departmental resources for guidance.

### **ix. Conclusion:**

Summarize key takeaways and recommendations.

Express the department's commitment to supporting students in their career journeys.

### **x. Appendices:**

Include relevant resources, upcoming events, and contact information for departmental advisors.

This report is intended to serve as a comprehensive guide for third-year mathematics students, equipping them with the knowledge and resources needed to make informed decisions about their future careers.

# **Workshop on Career Guidance for Opportunities in Hindi**

**Organized by Department of Hindi**

**R.C.Patel Arts, Comm. & Sci. College, Shirpur.**

Date: 16/09/2022

**Venue: R.C.Patel Arts, Comm. & Sci. College, Shirpur**

## **Executive Summary:**

This report outlines the proceedings and outcomes of the seminar organized by Department of Hindi on the theme of "**Career Guidance for Opportunities in Hindi.**" A career guidance workshop in the Hindi language field aims to provide individuals with insights into various career paths where Hindi proficiency is valued. It helps in understanding job opportunities, skill requirements, and career growth prospects. Such workshops typically offer guidance on language-specific careers, skill development, networking, and resources available for pursuing a career using Hindi language skills.

## **Objective:**

There are various career opportunities for Hindi language proficiency, including translation, interpretation, teaching, content writing, journalism, and government services. Additionally, industries like media, publishing, tourism, and international relations value Hindi language skill

## **Seminar Highlights:**

### **Inaugural Address:**

The workshop began with an inaugural address by **Dr.Rupali Chaudhari (Hindi Deapartment Jalgoan)**

## **Panel Discussions:**

Interpretation in Hindi involves orally translating spoken words from one language to another in real-time. There are two main types: simultaneous (where the interpreter speaks while the speaker is talking) and consecutive (where the interpreter speaks after the speaker pauses). Interpreters need exceptional linguistic skills, cultural knowledge, quick thinking, and the ability to convey messages accurately and efficiently. They often work in conferences, meetings, courts, hospitals, and international events. Specializing in specific industries or fields can enhance opportunities in this career.

## **Career Path Presentations:**

A career path presentation in a Hindi language workshop could cover various aspects like the scope of careers where Hindi language skills are essential, job opportunities in translation, interpretation, teaching, content creation, journalism, and government services. It might also delve into the importance of language proficiency in specific industries, skill development, potential growth, and the resources available for pursuing a career using Hindi language skills. Speakers may share their experiences, insights, and tips for success in these fields

## **Interactive Workshops:**

An interactive workshop focused on careers involving the Hindi language could include engaging activities like language skill-building exercises, role-plays for translation or interpretation scenarios, discussions on industry-specific demands for Hindi proficiency, networking sessions with professionals in related fields, and Q&A sessions to address queries about career paths, skill development, and job opportunities. Interactive elements can help participants actively engage, learn, and gain practical insights into pursuing a career utilizing Hindi language skills.

## **Q&A Sessions:**

A question-answer session in a Hindi language workshop allows participants to seek clarification, gather more information, and engage directly with experts or facilitators. It's an opportunity for attendees to ask specific queries related to career paths, skill development, industry insights, or any other topic covered in the workshop. This session aims to address doubts, provide additional information, and enhance the overall learning experience.

## **Outcomes:**

1. **Increased Awareness:**\* Participants gain a better understanding of the career opportunities available leveraging Hindi language skills.
2. **\*Skill Development:**\* Improved language proficiency through activities, discussions, and practice sessions.
3. **\*Career Clarity:**\* Clearer insights into various job roles, industries, and paths where Hindi language skills are valuable.
4. **\*Networking:**\* Opportunities to connect with professionals, creating potential avenues for mentorship or job prospects.
5. **\*Resource Access:**\* Knowledge of available resources, courses, and tools for further skill enhancement.
6. **\*Motivation:**\* Inspiration and encouragement

**Feedback:** Feedback is crucial for organizers to improve future workshops and ensure they meet the needs and expectations of participants.

**Name of Activity:** - Career Guidance Session On Current IT Trends

**Date:** 13<sup>th</sup> Mar. 2023

**Time:** 10:00am to 1:00pm

**Duration:** - One day

**Name of Guest:**

Ms. Geeta Sonawane (Manager at Cognizant)

Hon. Prof. Dr. A. M. Patil (Vice Principal, RCP ACS, Shirpur)

Hon. Prof. Dr. R. D. Jadhav (Vice Principal, RCP ACS, Shirpur)

Ms. Manasi Vaidya (HOD, Dept. of Computer Application and Management)

**No. of beneficiaries:** 150+ Students

**Background of the Program:**

This report outlines the proceedings and outcomes of the session organized by Department of Computer Application and Management on the theme of "Career Guidance Session on Current IT Trends." The session aimed to provide students with insights into various career paths within the field of Information Technology, facilitating informed decisions and inspiring future in IT to explore diverse professional avenues.

**Objectives of the Program:**

The primary objective of the session was to offer students a comprehensive understanding of the potential career opportunities in IT and to equip them with the knowledge and resources needed to make informed decisions about their academic and professional paths.

**Key points discussions:**

- The purpose behind organizing this seminar is to discuss the current technologies of IT industry among the faculties and students of Computer Application and Computer Science.
- The session majorly focuses on Business Intelligence, Networking, Internet of Things (IoT),
- This will lead to the fulfillment of industry requirements from graduates and it will help the students to get the career opportunity.

## **Brief review on program:**

The Program was organized by Department of Computer Application and Management at R. C. Patel Arts, Commerce and Science College, Shirpur. The programme started at 10:00 am with the wel-Come of guests. It was inaugurated by invited guest Ms. Geeta Sonawane Manager at Cognizant pune, Vice Principal of College Hon. Prof. Dr. A. M. Patil & Head of Department Ms. Manasi Vaidya. The inaugural function was attended by all the teaching staff and the students of BCA and BMS (e-Comm). Ms. Geeta Sonawane is Manager at Cognizant, Pune. She was invited as the speaker for the Session on “Current IT Trends”. She has 10+ years of experience in the field of IT and also in different business domains. She shared his industry experiences and explained in detail the latest technologies like Business Intelligence, Networking, Internet of Things (IoT), ECT. Enhancing in I.T. field. She also spoke on career perspective domains in I.T. industries for the students.

Department of Computer Application and Management successfully conducted “Career Guidance Session on Current IT Trends” at Seminar Hall, Shirpur as on 13<sup>th</sup> Mar. 2023 for BCA and BMS (e-Com) Students.

The team of faculty members Ms. Manasi Vaidya (HOD), Ms. H. N. Bhavsar, Mrs. K.T. Borse (Program Co-Ordinator), Mr. R. M. Suryawanshi , Mr. G. K. bide, Ms. A. V.Jagtap, and other team, Worked efficiently to make the workshop successful.

The students enthusiastically participated and showcased their brilliance by rapidly answering the questions. Though some of the questions were very tricky, the students tried to answer them with confidence. This event was very informative and knowledge enriching for students. This lecture helped students identify what they know and what they don't know. The participation in Workshop showed that the students really like these platforms in which they increased their knowledge. # Seminar on Guidance for Competitive Exams

Organized by: Department of Zoology  
R.C.Patel Arts, Comm, & Sci. College  
Shirpur

Date: 26/09/2022

**Venue:** R.C.Patel Arts, Comm, & Sci. College Shirpur

## **Introduction:**

The Department of Zoology organized a thought-provoking seminar titled "**Navigating Futures: A Comprehensive Career Guidance Seminar**" to provide students with valuable insights into various career paths within the field of zoology. The event aimed to empower students to make informed decisions about their future careers and explore the diverse opportunities available in the field.

## **Seminar Highlights:**

**Opening Address:** The seminar commenced with a warm welcome from Dr. M.C.Agale, HOD, Department of Zoology who emphasized the importance of career planning and the need for students to be proactive in shaping their professional journeys.

**Keynote Speaker:** The distinguished keynote speaker for the event was Mr Pradip Ravandale (ACF) , a renowned expert in wild life he brought a wealth of experience and knowledge to the seminar, sharing valuable insights into the evolving landscape of careers in zoology. Attendees gained a deeper understanding of emerging trends, challenges, and opportunities in the field.

**Panel Discussion:** A dynamic panel discussion followed, featuring accomplished professionals and alumni from the Department of Zoology. The panellist shared their personal career journeys, highlighting key milestones, challenges faced, and lessons learned. This interactive session allowed students to engage with the speakers directly and seek advice on specific career paths.

**Career Exploration Workshops:** The seminar included hands-on workshops designed to help students explore different career options within zoology. These workshops covered areas such as wildlife conservation, research, environmental consulting, and education. Participants had the opportunity to interact with professionals from each sector and gain practical insights into day-to-day responsibilities.

**Networking Opportunities:** Attendees had the chance to network with speakers, panelists, and fellow students during breaks and a dedicated networking session. This facilitated valuable connections and opened doors for potential mentorship opportunities.

**Conclusion:** The "Navigating Futures" seminar organized by the Department of Zoology proved to be an enriching experience for students, providing them with a holistic view of career possibilities within the field. The event not only offered valuable guidance but also fostered a sense of community among students and professionals alike.

As students continue to navigate their academic and professional journeys, the insights gained from this seminar will undoubtedly serve as a compass, guiding them toward successful and fulfilling careers in zoology.

**Acknowledgments:** The Department of Zoology extends its gratitude to Pradip Ravandale saheb and all the panellist for their valuable contributions. Special thanks to the organizing committee and sponsors for making this seminar a resounding success. Vote of thanks proposed by Dr. Vandana Patil.

This seminar report serves as a documentation of the impactful "Navigating Futures" event, and we look forward to organizing more such initiatives to empower and inspire our students.

**Department of Defense Studies Report on  
Workshop on “Creating, Selling Handmade Crafts, Paintings, and  
Jewelry”**

**Date:-**3 February 2022.

- **Guest of Program:** Mrs.Manisha Patil and Mrs.Anita Deshmukh
- **Co-coordinator of program:** **Dr.R.S.Pawar**
- **Participated Students:-**BA, Bcom, Bsc, BCA, BAMS
- **No. Of Participants:-** 70 students
- **Venue:-**R. C. Patel Arts Commerce and Science College, Shirpur.

### **Objectives-**

The workshop aimed to equip participants with the knowledge and skills required to create, market, and sell handmade crafts, paintings, and jewelry both online and offline, fostering entrepreneurship and financial assurance.

### **Workshop Highlights:**

1. Introduction to Handmade Artistry:

- Overview of various handmade crafts, paintings, and jewelry.
- Importance of craftsmanship, uniqueness, and quality in handmade products.

2. Crafting Techniques and Artistry:

- Practical sessions demonstrating crafting techniques and artistic processes for different art forms.

- Guidance on material selection, tools, and best practices for quality output.

### 3. Marketing Strategies:

- Exploring online platforms (e.g., websites, Etsy, social media) for showcasing and selling handmade products.
- Tips on photography, branding, and creating appealing product listings.

### 4. Selling at Craft Fairs and Local Markets:

- Understanding the process of participating in craft fairs and local markets.
- Booth setup, presentation techniques, and engaging with potential customers.

### 5. Financial Management and Assurance:

- Budgeting, pricing strategies, and managing costs for profitable sales.
- Strategies for ensuring consistent income through creative entrepreneurship.

## Workshop Outcomes:

- Participants gained practical skills in crafting various handmade products.
- Enhanced understanding of marketing strategies for online and offline sales.
- Insights into financial management for sustaining an entrepreneurial venture.
- Increased confidence in showcasing and selling their artwork effectively.

## Conclusion:

The workshop received positive feedback from participants who appreciated the comprehensive approach to teaching both the artistic and business aspects of creating and selling handmade crafts, paintings, and jewelry. Attendees left feeling empowered to embark on their entrepreneurial journey in the creative arts field.

This workshop successfully bridged the gap between artistry and entrepreneurship, encouraging individuals to turn their passion into a viable source of income.

**NET /SET coaching workshop (2021-2022)**

**Objectives:**

- To guide NET/SLET aspirants in the subjects of Microbiology and Biotechnology
- To provide an understanding about the methods for attempting paper-I, II, III.
- To provide a platform where the aspirants can get their doubts and queries cleared.
- To ensure that the participants benefit from the experiences of those who have cleared NET/SLET.
- To ensure that participants benefit from the guidance of the luminaries associated with the NET/SLET examination process.

**Life Sciences Syllabus-Paper II**

**Unit    Syllabus**

1.        **Cell Biology:**

- Structure and function of cells and intracellular organelles (of both prokaryotes and eukaryotes), Mechanism of cell division including (mitosis and meiosis) and cell differentiation; Cell-cell interaction, Malignant growth, immune response

2.        **Biochemistry:**

- Structure of atoms, molecules and chemical bonds, Principles of physical chemistry, Thermodynamics, kinetics, dissociation and association constants, Nucleic acid
- Structure, genetic code, replication, transcription and translation: Structure, function and metabolism of carbohydrates, lipids and proteins, Enzymes and coenzyme, Respiration and photosynthesis.

### 3. **Fundamental Processes:**

- DNA replication, repair and recombination (Unit of replication, enzymes involved, replication origin and replication fork, fidelity of replication, extrachromosomal replicons, DNA damage and repair mechanisms, homologous and site-specific recombination).
- RNA synthesis and processing (transcription factors and machinery, formation of initiation complex, transcription activator and repressor, RNA polymerases, capping,
- Elongation, and termination, RNA processing, RNA editing, splicing, and polyadenylation, structure and function of different types of RNA, RNA transport).
- Protein synthesis and processing (Ribosome, formation of initiation complex, initiation factors and their regulation, elongation and elongation factors, termination, genetic code, aminoacylation of tRNA, tRNA-identity, aminoacyl tRNA synthetase, and translational proof-reading, translational inhibitors, Post-translational modification of proteins).

### 4. **Immunology:**

- Cancer - Genetic rearrangements in progenitor cells, oncogenes, tumor suppressor genes, cancer and the cell cycle, virus-induced cancer, metastasis, interaction of cancer cells with normal cells, apoptosis, therapeutic interventions of uncontrolled cell growth.
- Innate and adaptive immune system - Cells and molecules involved in innate and adaptive immunity, antigens, antigenicity and immunogenicity. B and T cell epitopes, structure and function of antibody molecules. generation of antibody diversity, monoclonal antibodies, antibody engineering, antigen-antibody interactions, MHC molecules, antigen processing and presentation, activation and differentiation of B and T cells, B and T cell receptors, humoral and cell-mediated immune responses, primary and secondary immune modulation, the complement system, Toll-like receptors, cell-mediated effector functions, inflammation, hypersensitivity and autoimmunity, immune response during bacterial (tuberculosis), parasitic (malaria) and viral (HIV) infections, congenital and acquired immunodeficiencies, vaccines.

## आर.सी पटेल महाविद्यालयात रसायानशास्त्र विषयी राष्ट्रीय स्तरावर ऑनलाईन वेबिनार संपन्न.....

दि. १३ जून २०२१ (शिरपूर) ; आर.सी.पटेल एज्युकेशन ट्रस्टच्या आर.सी.पटेल कला, वाणिज्य आणि विज्ञान महाविद्यालयातील "आय. क्यू. ए. सी." व रसायानशास्त्र विभागाच्या संयुक्त विद्यमाने एक दिवसीय राष्ट्रीय स्तरावरील "Career Opportunities in Chemical Sciences and Importance of Organic Chemistry in Material Research" या विषयावर ऑनलाईन वेबिनार आयोजित करण्यात आला. सध्या कोविड-१९ च्या प्रभावामुळे सर्वच महाविद्यालये हे ऑनलाईन सुरु असून त्यांचे शिक्षण ही ऑनलाईन च सुरु आहे. या काळात विद्यार्थ्यांपुढे असलेल्या विविध अडथळे आणि नोकरीच्या संधी निर्माण करण्यासाठी लागणारा कालावधी व ओर्गानिक केमिस्ट्री मध्ये असलेले भावी संशोधन यावर मार्गदर्शन करण्यात आले.

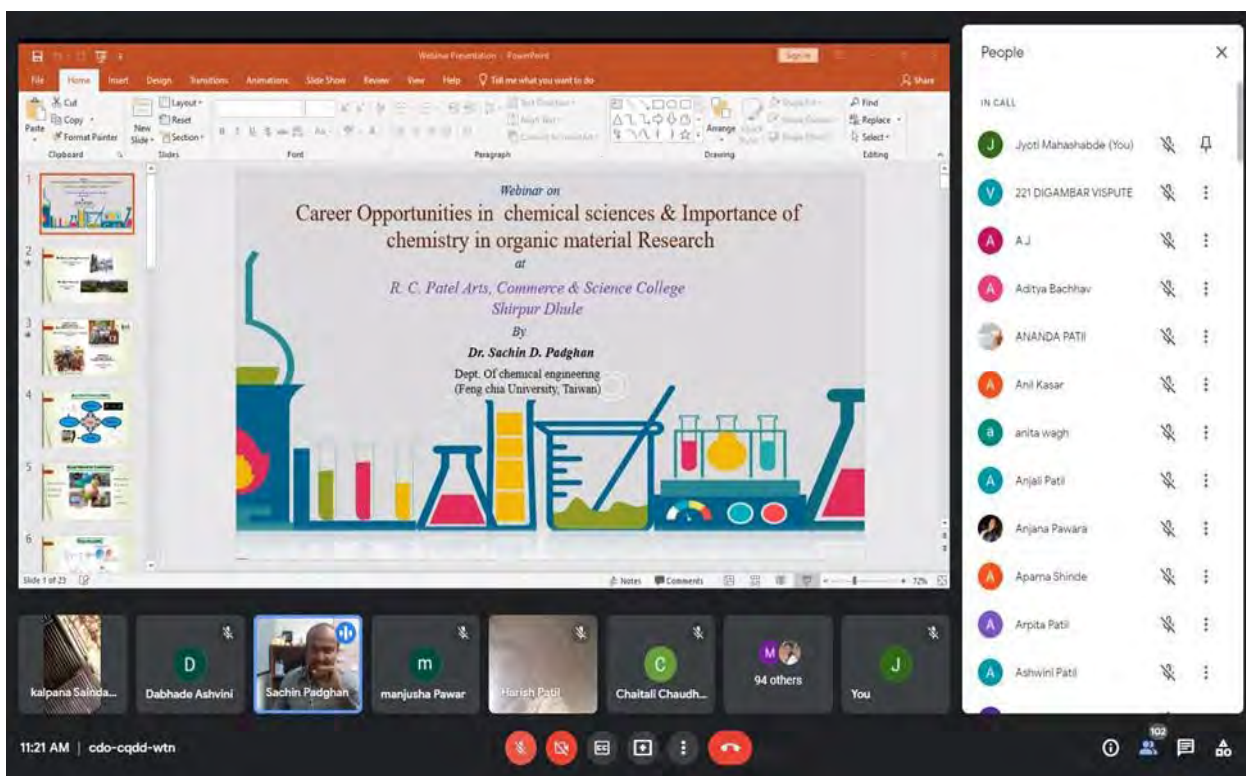

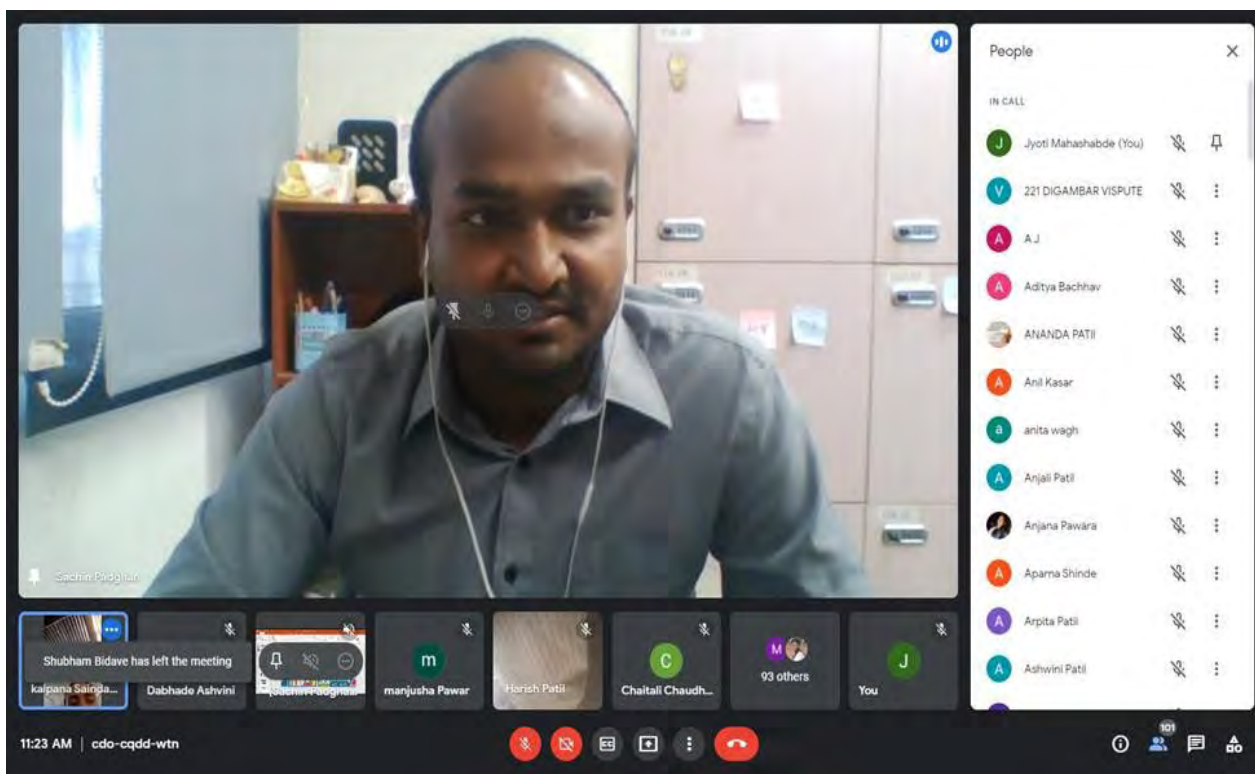

महाविद्यालयाचे प्राचार्य डॉ.डी.आर.पाटील, विभागप्रमुख डॉ.जे.पी.महाशब्दे, प्रा.जयवंत सोनवणे यांच्या प्रयत्नांनी रसायनशास्त्र विभागाने टी.वाय.बीएस्सी आणि एम.एससी (ओर्गानिक केमिस्ट्री) च्या विद्यार्थ्यांसाठी राष्ट्रीय स्तरावर ऑनलाईन वेबिनार आयोजित करण्यात आले. या मध्ये व्याखाते म्हणून फॅग.चिआ.युनिवर्सिटी तैवान या ठिकाणी आपले पी.एच डी चे शिक्षण पूर्ण केले असून,तेथेच पुढील संशोधन करत असणारे डॉ.सचिन पडघन यांचे अनमोल मार्गदर्शन विद्यार्थ्यांना लाभले. या वेबिनार मध्ये डॉ.पडघन यांनी ओर्गानिक केमिस्ट्री मध्ये असलेल्या भविष्यातील संशोधन संधी अधोरेखित केल्या. त्यांनी आपल्या व्याख्यानात बोलतांना म्हटले कि, आज सर्वदूर पाहता ओर्गानिक केमिस्ट्री हा खूप महत्वाचा फक्त विषयच नव्हे तर तो एक घटक झाला आहे .या विषयात खूप अशा प्रकल्पांवर काम सुरु आहे. व्याख्यानात त्यांनी ,व्हाईट लाईट डायोड,मेडिसिनल केमिस्ट्री, हालोमेट्रिक सेन्सोर्स.या विषयांना अधोरेखित केले.

डॉ.पडघन यांनी बोलतांना विविध देशात असलेल्या पी.एच डी संधी तसेच त्यासाठी लागणारी पात्रता वेगवेगळ्या देशात असलेल्या संशोधन आणि त्यांची शिष्यवृत्ती यावर देखील संबोधन केले. शेवटी विद्यार्थ्यांच्या शंका जाणून त्यांना समाधान कारक उत्तरे दिली. त्यामुळे विद्यार्थ्यांच्या मनातील उत्सुकता दिसून आली. या वेबिनार मध्ये ३०० हून अधिक विद्यार्थ्यांनी सहभाग नोंदविला होता. अशा प्रकारच्या वेबिनार साठी रसायन शास्त्र विभागाच्या आयोजकांचे त्यांनी कौतुक केले.

या वेबिनार च्या यशस्वीते साठी विभागातील प्रा.राजश्री चौधरी, प्रा.निशा बोरगावकर, प्रा.कांतीलाल पावरा , प्रा.विजय पाटील, प्रा.कल्पेश पाटील, प्रा.नेहा मोरे, प्रा.हर्षल कुलकर्णी आदींनी अनमोल सहकार्य केले.

**R.C.Patel Arts, Commerce and Science College, Shirpur**  
**Department of Chemistry**  
**Program: PG Entrance Workshop for B.Sc. Chemistry students**

Department of Chemistry at R.C.Patel A.C.S.College Shirpur organized PG entrance workshop for B.Sc. student's classes for PG-CET 2021 in Chemistry. These classes were conducted by senior faculty members who specialize in the respective subjects at the college.

**Program: PG Entrance Workshop for B.Sc. Chemistry**

**Subjects Covered:**

- Chemistry

**Target Audience:**

- T.Y.B.Sc. (Chemistry)

**Duration:**

- 28 April 2021 to 30 April 2021

**Time:**

- 8:30 AM to 10:30 AM

**Organized By:**

- Department of chemistry

**Resource person:**

- Dr.S.B.Chaudhari, lecturer in chemistry from S. P. D.M. College, Shirpur.

**Program Overview:**

- Designed workshop specifically focusing on other universities PG-CET 2021 for M.Sc. aspirants.
- Workshop is conducted by seasoned faculty members from R.C.Patel A.C.S. College Shirpur, each specializing in M.Sc. Chemistry.
- Comprehensive curriculum comprising subject-specific lectures, problem-solving sessions, practice tests and exam strategy workshops.
- Content specifically designed to introduce students to the PGCET 2021 exam format, curricula, and efficient study techniques.

### Benefits for B.Sc. Students:

- Workshop helps to early guidance and preparation assistance for M.Sc. 2021 entrance exams.
- Workshop is beneficial ensure to exam patterns, aiding in better preparedness.
- Access to experienced faculty for subject-specific guidance and doubt resolution.
- Enhanced readiness for M.Sc. studies by initiating preparation in advance.

This coaching program aims to support B.Sc. students in their aspirations for pursuing postgraduate studies by providing structured coaching specifically aligned with the requirements of the PG-CET 2021 examination.

### Learning Objectives:

1. **Subject Mastery:** To facilitate a comprehensive understanding of the core concepts and subject-specific knowledge required for M.Sc. Chemistry entrance exams.
2. **Exam Familiarity:** To familiarize students with the exam pattern, question types, and syllabus specific to PG-CET 2021.
3. **Problem-Solving Skills:** To enhance problem-solving abilities and critical thinking necessary to tackle complex questions in the entrance exams.
4. **Time Management:** To equip students with effective time management strategies for the exam and optimize their performance within the stipulated time frame.
5. **Exam Strategy:** To provide guidance on effective exam strategies, including question selection, prioritization, and efficient answering techniques.

### Expected Outcomes:

1. **Solid Foundation:** In order to prepare for further study, students need develop a solid foundational understanding of the subjects they are studying.
2. **Better Performance:** You can do better on practice exams and the real entrance exam by developing your problem-solving abilities and understanding exam patterns.
3. **Confidence:** With consistent practice and direction, students should be able to handle a variety of exam questions and situations with more assurance.
4. **Effective Preparation:** By applying acquired tactics and subject-specific information, students should be more equipped to handle the demands of the admission tests.
5. **Readiness for Postgraduate Studies:** The goal of the workshop is to provide students with sufficient preparation for the demanding nature of postgraduate work in their selected subjects.

### Department of Chemistry

#### Activity Report to IQAC

Date: 15 Dec 2020

#### **Name of event: One Day Workshop on IIT-JAM Exam Preparation**

**Objectives:** To give some great preparation tips and strategy to help students ace the upcoming IIT-JAM exam. To begin with the IIT-JAM exam preparation students must be well versed in the selection process of the exam, exam pattern & the syllabus of Chemistry subject. Gain clarity of the overall IIT-JAM exam as it will help them realise the importance of qualifying the IIT-JAM exam. The enrichment to their educational achievements, the growth in their career & the advancement of skills will provide sufficient motivation to work hard & clear the exam.

#### **Programme Outcomes:**

1. Students first of all should learn don't go in search of any shortcut.
2. Student should not skip the reference books as most of the questions are asked directly from these books.
3. Students should write down the highlights of the chapter.
4. Students should prepare notes in their own words for easy understanding.
5. Students should use diagrams, flowchart, bullets & boxes that will help to memorize topic much effectively.

**Date and Time:** 15/12/2020 (11 to 4 pm)

Duration: 5 hour

#### **Name of resource person:**

Dr J. P. Mahashabde: Organic Reaction Mechanism and Synthetic Applications. Mr. J. P.

Sonawane: Chemical Bonding and Shapes of Compounds.

Dr. S.B.Chaudhari: Spectroscopy.

**Expected beneficiaries:** U.G. -128

**Beneficiaries actually attended: U.G. -128**

**Briefing of programme:**

Department of chemistry organized a one day workshop to guide students on IIT-JAM Exam preparation. It is based on basic knowledge doing many lab activities. All teachers participated for this workshop which is for U.G. students. Teachers guided and prepared them for future competitive exams.

### Activity Report to IQAC

Date: 11 Jan 2021

#### Name of event: One Day Workshop on GATE Exam Preparation

**Objectives:** The purpose of the GATE exam is to test students knowledge and understanding of their under Graduate level subjects in Engineering and Science. Every year lakhs of graduates passout from universities. GATE in the present competitive scenario, to measure and test the caliber of graduate students is possible through the GATE exam only. There is a misconception among students is that the GATE exam is only for ME. /M. Tech/M.Sc. which finally leads to a teaching career only. But, it is not correct. The GATE score of the candidate is also used by several public sector undertakings (PSU) (i.e., government-owned companies like Indian Oil, GAIL, and Hindustan Petroleum etc.) for recruiting graduate engineers in entry-level positions, to get Fellowship Programs from CSIR and Scholarships in ME/M.Tech/M.Sc. and many more.

#### Programme Outcomes:

1. Master's degree leads to specialization and cultivates and brings out best of your interest in a certain area which may lead to research / Ph.D.
2. Student should learn Masters degree is a must for those wishing to apply for Faculty/Research positions in educational institutes and most of the R&D centers.
3. Most importantly to get to be a part of any nationally reputed Educational Institute and enjoy learning and research in the conducive ambience.
4. One gets intellectual satisfaction of working in the area of interest.
5. Last but not the least, Master course changes the individual's thought process; teaches us how to approach and solve a problem in the totally new & unknown environment.

**Date and Time:** 11/01/2021 (11 to 1 pm) Duration: 3 hours

## Name of resource person:

Dr. J. P. Mahashabde: Experimental techniques in organic chemistry, Organic synthesis.

Mr. J. P. Sonawane: Organometallics, Co-ordination chemistry.

Mr. H. S. Kulkarni: Quantum mechanics, Spectroscopy.

**Expected beneficiaries:** U.G. -128

**Beneficiaries actually attended:** U.G. -128

## Briefing of programme:

Department of chemistry organized a one day workshop to guide students on GATE exam preparation. It is based on basic knowledge doing graduation. The Graduate Aptitude Test in Engineering (GATE) is an examination conducted in India that primarily tests the comprehensive understanding of various undergraduate subjects in engineering and science for admission into the Masters Program and Job in Public Sector Companies.

**Department of chemistry**

**Activity Report to IQAC**

Date: 03 Dec 2020

**Name of event: One Day Workshop on NET/SET Exam Preparation**

**Objectives:** To give some great groundwork tips and strategy to help students ace the upcoming CSIR NET & SET Exam. To begin with the CSIR NET/SET Exam preparation students must be well versed in the selection process of the exam, Exam Pattern & the syllabus of Chemistry subject. Improvement explains of the overall CSIR NET Exam as it will help them realise the importance of qualifying the CSIR NET/SET exam. The improvement to their educational successes the growth in their career & the advancement of skills will deliver sufficient motivation to work hard & clear the exam.

**Programme of Outcomes:**

1. Students first of all should learn don't go in search of any shortcut.
2. Student should not skip the reference books as most of the questions are asked directly from these books.
3. Students should write down the highpoints of the chapter.
4. Students should prepare notes in their own words for easy accepting.
5. Students should use figures, flowchart, shots & belongings that will help to memorize topic much effectively.

**Date and Time:** 03/12/2020 (11 to 4 pm)

Duration: 5 hour

**Name of resource person:**

Dr J. P. Mahashabde: Organic Spectroscopy

Mr. J. P. Sonawane: Organometallic chemistry.

Dr. S.B.Chaudhari (S.P.D.M. College Shirpur): Name reactions.

**Expected beneficiaries:** P.G. -60

**Beneficiaries actually attended:** P.G. -60

### Briefing of programme:

Department of chemistry arranged a one day workshop to guide students on NET/SET Exam training. It is based on basic information doing many lab events. All teachers participated for this workshop which is for P.G. students. Teachers directed and prepared them for future competitive exams.

**Department of Microbiology and Biotechnology**  
**NET /SET coaching workshop (2020-2021)**

**Objectives:**

- To guide NET/SLET aspirants in the subjects of Microbiology and Biotechnology
- To provide an understanding about the methods for attempting paper-I, II, III.
- To provide a platform where the aspirants can get their doubts and queries cleared.
- To ensure that the participants benefit from the experiences of those who have cleared NET/SLET.
- To ensure that participants benefit from the guidance of the luminaries associated with the NET/SLET examination process.

**Life Sciences Syllabus-Paper II**

**Unit Syllabus**

1. **Cell Biology:**

- Structure and function of cells and intracellular organelles (of both prokaryotes and eukaryotes), Mechanism of cell division including (mitosis and meiosis) and cell differentiation; Cell-cell interaction, Malignant growth, Immune response

2. **Biochemistry:**

- Structure of atoms, molecules and chemical bonds, Principles of physical chemistry, Thermodynamics, kinetics, dissociation and association constants, Nucleic acid
- Structure, genetic code, replication, transcription and translation: Structure,

function and metabolism of carbohydrates, lipids and proteins, Enzymes and coenzyme, Respiration and photosynthesis.

### 3. **Fundamental Processes:**

- DNA replication, repair and recombination (Unit of replication, enzymes involved, replication origin and replication fork, fidelity of replication, extrachromosomal replicons, DNA damage and repair mechanisms, homologous and site-specific recombination).
- RNA synthesis and processing (transcription factors and machinery, formation of initiation complex, transcription activator and repressor, RNA polymerases, capping,
- elongation, and termination, RNA processing, RNA editing, splicing, and polyadenylation, structure and function of different types of RNA, RNA transport).
- Protein synthesis and processing (Ribosome, formation of initiation complex, initiation factors and their regulation, elongation and elongation factors, termination, genetic code, aminoacylation of tRNA, tRNA-identity, aminoacyl tRNA synthetase, and translational proof-reading, translational inhibitors, Post- translational modification of proteins).

### 4. **Immunology:**

- Cancer - Genetic rearrangements in progenitor cells, oncogenes, tumor suppressor genes, cancer and the cell cycle, virus-induced cancer, metastasis, interaction of cancer cells with normal cells, apoptosis, therapeutic interventions of uncontrolled cell growth.
- Innate and adaptive immune system - Cells and molecules involved in innate and adaptive immunity, antigens, antigenicity and immunogenicity. B and T cell epitopes, structure and function of antibody molecules. generation of antibody diversity, monoclonal antibodies, antibody engineering, antigen-antibody interactions, MHC molecules, antigen processing and presentation,

activation and differentiation of B and T cells, B and T cell receptors, humoral and cell-mediated immune responses, primary and secondary immune modulation, the complement system, Toll-like receptors, cell-mediated effector functions, inflammation, hypersensitivity and autoimmunity, immune response during bacterial (tuberculosis), parasitic (malaria) and viral (HIV) infections, congenital and acquired immune deficiencies, vaccines.

## About Learnet Skills Limited (formerly known as IL&FS Skills Development Corporation Limited)

Learnet Skills Limited (Learnet) is a joint initiative of Schoolnet India Ltd. and National Skill Development Corporation (NSDC) and is one of the largest skills training providers in the country. The organization facilitates and manages large scale, demand-driven skills training programs, to alleviate poverty in rural and urban areas. The organization conducts strategic partnerships amongst various stakeholders from industry, training bodies, academic institutions, and non-governmental organizations, states and central government for delivering skills training programs. Learnet in association with various ministries / departments under the central / state governments such as Ministry of Skill Development & Entrepreneurship, Ministry of Rural Development, Ministry of Textiles, Ministry of Tourism, and Ministry of Urban Development etc, has been contributing substantially towards Nation's Skill India Mission.

The organization has been a front runner in providing skills training to people from different social groups and is the largest training partner of National Skill Development Council (NSDC). From being a pilot program offered for textile sector, today it is a partnership company with National Skills Development Corporation (NSDC), with a mandate to train 4 million people by 2022 through a network of 150+ Skills Training Institutes spread across 22 states in the country. Learnet, through its Skills Development initiative, has been able to reach across the learner segment inclusive of adult learners, persons with disability, school drop-outs and graduates, in difficult geographies (extreme weather conditions, hilly areas of North East) as well as conflict zones with crippled economies due to long periods of unrest and terrorism (State of J&K, Left Wing Extremism) etc. Learnet Skills has so far trained 2.1 million youth in various programs.

Learnet has strong understanding of the global best practices in Skill development. Learnet Skills, under PPP mode has created an annual training capacity of training 1.5 Lakhs youth in 21 sectors and 100+ job roles. As part of its business initiatives, Learnet has been actively involved in identifying global employment opportunities for Indian youth, enabling them to scale up their career to the next level. Learnet has been working in Japan and Middle East countries to promote Indian candidates, for employment.

## Project Overview – GST Training Program

### Sub: Ministry of MSME, New Delhi Sponsored Industrial Motivation Campaign for Two Days

Dear Sir,

Indo German Tool Room, Aurangabad is Government of India Society under Ministry of MSME, New Delhi.

As we know that Entrepreneurs are frequently thought of as national assets to be cultivated, motivated, and remunerated to the greatest possible extent. Great entrepreneurs have the ability to change the way we live and work. If successful, their innovations may improve standards of living, and in addition to creating wealth with entrepreneurial ventures, they also create jobs and contribute to a growing economy.

In this regard IGTR Aurangabad as per directives of the O/o DC (MSME) New Delhi, is planning to organize, "Industrial Motivation Campaign for Two Days, Sponsored by Ministry of MSME, Govt. of India, New Delhi" to identify and motivate traditional / non-traditional entrepreneurs having potential for setting up MSEs so as and to lead them towards self-employment at your esteemed Institute.

Details of the programs are as follows:

Day	Session No.	Topic
One	1	Inauguration of Program
	2	Need of Self Employment, Entrepreneurship Development (What, Why & How?)
	3 & 4	Tower Building Game – Eradication of dependency syndrome
Two	1	MILLY Presentation
	2	Ring Toss exercise - Risk Taking Behavior
	3	Government Schemes to promote Entrepreneurship
	4	Experience sharing by successful Entrepreneur

In the above mention program we are expecting minimum 100 nos. of participants. Basic facilities like hall with seating capacity of 100 nos., projector, audio system etc. are to be provided by respective Institute whereas expert faculties will be arranged by IGTR Aurangabad. Participants are required to submit Registration Form along with one passport size photograph and copy of Adhar Card for participation certificate.

In this regard you are kindly requested to give your consent for the above program.

Thanking you.

## About Rubicon

**Rubicon** was incepted with a dream of a world where every youth has the power to transform lives for themselves and others around them. We strongly believe that every youth has the potential to make a difference in their personal lives as well as the community around them. We build competencies, which would help youth seek careers and prosper in their career of choice. We bring excitement into learning by developing and harnessing their curiosity and intrinsic motivation for learning.

**Rubicon's** "Life skills" Program, supported by Barclays, aims to improve the youth's employability skills. This initiative is supported by Barclays. Under this program, students will be trained by Corporate Trainers to enhance their Life skills which would help them significantly

to increase their chance of succeeding in a job interview. This program is being launched with a limited no of colleges in India.

We are looking forward to partner with your institute and plan to run the below initiatives:

**1. 24 hrs. Classroom training on Interview Skills (Details mentioned below).** Due to lockdown, this is divided into two parts – 18 hours virtual and 6 hours classroom training. 18 hours of virtual training will be delivered by a Corporate Trainer using Zoom/Webex as a platform – training will be conducted 2 hours per day for 9 days. 6 hours of face-to-face training will be done once the lockdown is lifted and before the campus placement starts.

**2. Industry visit of students to various organizations.**

**3. Post Placement Mentoring and Career Counseling support to place students for one year.**

In Life Skills training, we will be covering the below topics:

1. Organizational Structure
2. Public Speaking
3. Presentation Skills
4. E-mail Etiquette
5. Grooming
6. Group Discussion
7. Personal Interview
8. Assessment will be conducted on Group Discussion and Personal Interviews.

# Glimses of Program

## “DXC Funded Employability Training Program”

<b>Donor</b> DXC Technologies	<b>NGO Partner</b> Nasscom Foundation	<b>Training Partner</b> Rubicon Foundation
		

**R. C. Patel A.S.C. College, Shirpur**  
**Department of Microbiology and Biotechnology**  
**NET /SET coaching workshop (2018-2019)**

**Objectives:**

- To guide NET/SLET aspirants in the subjects of Microbiology and Biotechnology
- To provide an understanding about the methods for attempting paper-I, II, III.
- To provide a platform where the aspirants can get their doubts and queries cleared.
- To ensure that the participants benefit from the experiences of those who have cleared NET/SLET.
- To ensure that participants benefit from the guidance of the luminaries associated with the NET/SLET examination process.

**Life Sciences Syllabus-Paper II**

<b>Unit</b>	<b>Syllabus</b>
1.	<b>Cell Biology:</b> <ul style="list-style-type: none"><li>• Structure and function of cells and intracellular organelles (of both prokaryotes and eukaryotes), Mechanism of cell division including (mitosis and meiosis) and cell differentiation; Cell-cell interaction, Malignant growth, Immune response</li></ul>
2.	<b>Biochemistry:</b> <ul style="list-style-type: none"><li>• Structure of atoms, molecules and chemical bonds, Principles of physical chemistry, Thermodynamics, kinetics, dissociation and association constants, Nucleic acid</li><li>• structure, genetic code, replication, transcription and translation: Structure, function and metabolism of carbohydrates, lipids and proteins, Enzymes and coenzyme, Respiration and photosynthesis.</li></ul>
3.	<b>Fundamental Processes:</b> <ul style="list-style-type: none"><li>• DNA replication, repair and recombination (Unit of replication, enzymes involved, replication origin and replication fork, fidelity of replication, extrachromosomal replicons, DNA damage and repair mechanisms,</li></ul>

	<p>homologous and site-specific recombination).</p> <ul style="list-style-type: none"> <li>• RNA synthesis and processing (transcription factors and machinery, formation of initiation complex, transcription activator and repressor, RNA polymerases, capping,</li> <li>• elongation, and termination, RNA processing, RNA editing, splicing, and polyadenylation, structure and function of different types of RNA, RNA transport).</li> <li>• Protein synthesis and processing (Ribosome, formation of initiation complex, initiation factors and their regulation, elongation and elongation factors, termination, genetic code, aminoacylation of tRNA, tRNA-identity, aminoacyl tRNA synthetase, and translational proof-reading, translational inhibitors, Post- translational modification of proteins).</li> </ul>
4.	<p><b>Immunology:</b></p> <ul style="list-style-type: none"> <li>• Cancer - Genetic rearrangements in progenitor cells, oncogenes, tumor suppressor genes, cancer and the cell cycle, virus-induced cancer, metastasis, interaction of cancer cells with normal cells, apoptosis, therapeutic interventions of uncontrolled cell growth.</li> <li>• Innate and adaptive immune system - Cells and molecules involved in innate and adaptive immunity, antigens, antigenicity and immunogenicity. B and T cell epitopes, structure and function of antibody molecules. generation of antibody diversity, monoclonal antibodies, antibody engineering, antigen-antibody interactions, MHC molecules, antigen processing and presentation, activation and differentiation of B and T cells, B and T cell receptors, humoral and cell-mediated immune responses, primary and secondary immune modulation, the complement system, Toll-like receptors, cell-mediated effector functions, inflammation, hypersensitivity and autoimmunity, immune response during bacterial (tuberculosis), parasitic (malaria) and viral (HIV) infections, congenital and acquired immunodeficiencies, vaccines.</li> </ul>
