ANNUAL

E-GOVERNANCE REPORT

2018-19

Annual e-Governance Report for the year 2018-19

E-Governance in college allows the use of Information and Communication Technologies to improve communication, promote transparency and accountability, and increase cost and time effectiveness. The overwhelming response of human resources to digital technology has strengthened the prospects of e-governance in different areas of operations. The college has been practicing e-governance in academic and non-academic functions for a few years.

E-Governance reviews the meeting of the college is held periodically. For the years 2018-19, the review was done in the second week of May 2018. Different issues related to the implementation of the e-Governance system were discussed in the meeting. A review of the functioning of the important available software is considered in the meeting. It was generally felt that e-Governance would be more efficient and convenient with the related module of ERP in terms of planning and follow-up. Maintenance of transparency in the admission process by sharing information with the stakeholders is smooth through ERP and the website. Some of the major organizational functions conducted through online mode are-

- 1) All the college staff use official e-mail IDs for official communication.
- 2) Minutes of meetings of IQAC, various committees, etc. are made available on the website for the consumption of stakeholders.
- 3) The smooth functioning of the library, data of the books and journals processes, and library activities such as acquisition, cataloging, circulation, administration, reporting, etc. are done using the various software that facilitated library management.
- 4) What App Groups have been created for sharing instructions, information, directions, important announcements, and notices with all the employees.

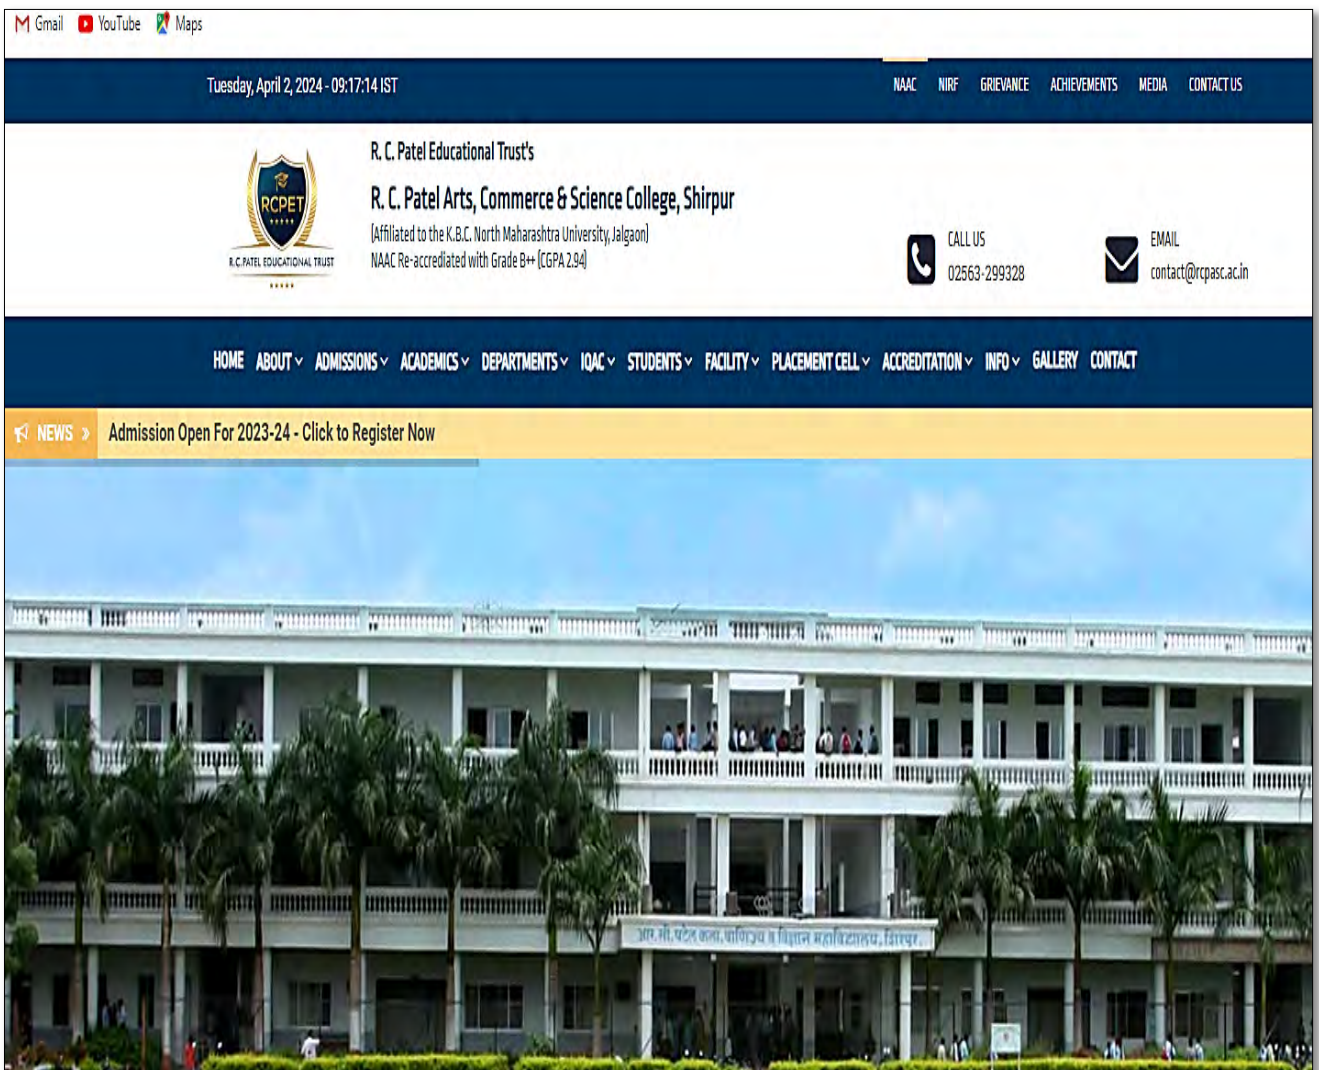

Administration:

As far as possible, communications and information flow are paperless and online the staff and students communicate with each other through email and other digital platforms. Committed and strictly monitored What App Groups have been created for sharing instructions, information, directions, important announcements, and notices to all the employees. The College has a biometric attendance system which is compulsory for all the staff.

The staff attendance can be monitored through this. Salary is paid to the staff through net banking and salary slips can be downloaded online to all the staff members.

Computers are used to record and track attendance, internal assessment, semester-end consolidated reports, payroll, pay-slip generation, faculty course mapping, etc. The college website is well managed and maintained by the Website and Automation Committee. It is user-friendly for smooth access and operation. All official communications and notices are sent via e-mails and updated on the website from time to time. What's App Groups are also used for sharing important college updates and notices promptly. The college has ICT-enabled conference seminar hall with projectors and screens, and CCTV cameras are installed and maintained at key locations of the college for surveillance.

Finance & Accounts:

As a key ingredient of the e-Governance concept and as per the guidelines of the authorities, all kinds of financial transactions above the stipulated limit have become online cashless. A few important activities carried out digitally are as follows:

The salaries and other benefits of employees are paid online through the bank. The payment of scholarships, Honorariums and all purchase transactions are executed cashless and online.

Fess Payer software is used to track the fee payment of every student. Some of the other functions include the generation of receipts, the generation of financial reports, etc. Necessary reports and books of accounts are generated from the software which helps in quick retrieval of data and auditing.

Tally ERP 9 is used by the accounts office to maintain all the financial records and data of the college such as generating reports, Profit And Loss Statement, Balance Sheet, etc. The Payroll Management System at the college is assisted through various software which helps in calculating salary, payroll reports, generating pay slips, etc. The staff members can download pay slips through the portal with their user-id, to manage the funds received from the Government, a complete TDS filing and compliance software to manage TDS, e-TDS Filing, Returns, and TDS Compliance, etc.

Students Admission and Support:

For the smooth functioning of the admission process and tracking of admission inquiries, modern online communication channels are used. Admission and related activities including disclosure of admission rules and schedule, verification of documents, payment of fees & other admission formalities, and counseling of the students are done online to the extent possible. Wherever necessary, relevant details are published on the college website. Disclosure of student-centric information is also done on the website.

The R. C. Patel Arts, Commerce, and Science College have a Student Admission Portal that is used for managing the admissions in the college. It also manages many other aspects such as the number of students applying to each course, withdrawals, fee submissions, etc. The college also facilitates academic pursuits by providing easy access to computer labs with the latest software. The entire campus is Wi-Fi enabled. The college has a well-stocked and fully automated library system. It uses a free, open-source, fully featured, and scalable library management system.

ANNUAL
E-GOVERNANCE REPORT

2019-20

Annual E-Governance Report for the year 2019-20

E-Governance at the college aims to leverage information and communication technologies to enhance communication, transparency, accountability, and operational efficiency. In recent years, the college has integrated e-Governance across both academic and non-academic domains.

Implementation of E-Governance:

To monitor progress and address issues related to e-Governance implementation, the college conducts regular review meetings. In May 2019, the review meeting for the 2019-20 academic years concentrated on operational challenges and software performance.

Administration:

Efforts are being made to reduce paper usage by encouraging online communication and information exchange among staff and students. Staff members communicate via email and various digital platforms. Dedicated and closely monitored WhatsApp groups have been established to distribute instructions, information, directions, important announcements, and notices to all employees. The college enforces a mandatory biometric attendance system (face recognizer) for all staff, ensuring accurate attendance monitoring. Staff salaries are processed through net banking, with salary slips can download online.

During COVID, faculty and students were given remote access to all e-resources to ensure a smooth teaching-learning process, online teaching using Google Classroom and Zoom Meetings, Google Meet, and advanced concepts in Google Classroom & Zoom Meet were organized by various committees and departments in collaboration with IQAC. These programs aimed to familiarize faculty with new teaching and communication methods.

- During the pandemic, all classes were conducted online. Students living in remote areas were connected via e-learning platforms such as Google Meet, Zoom, and MS Teams. These platforms ensured effective knowledge transfer during the pandemic.
- The college faculty conducted and attended a series of webinars on various important issues, both academic and non-academic. Some webinars addressed topics related to COVID issues management.

The e-Governance system of the administration has the following features:

- **Creation and Management**

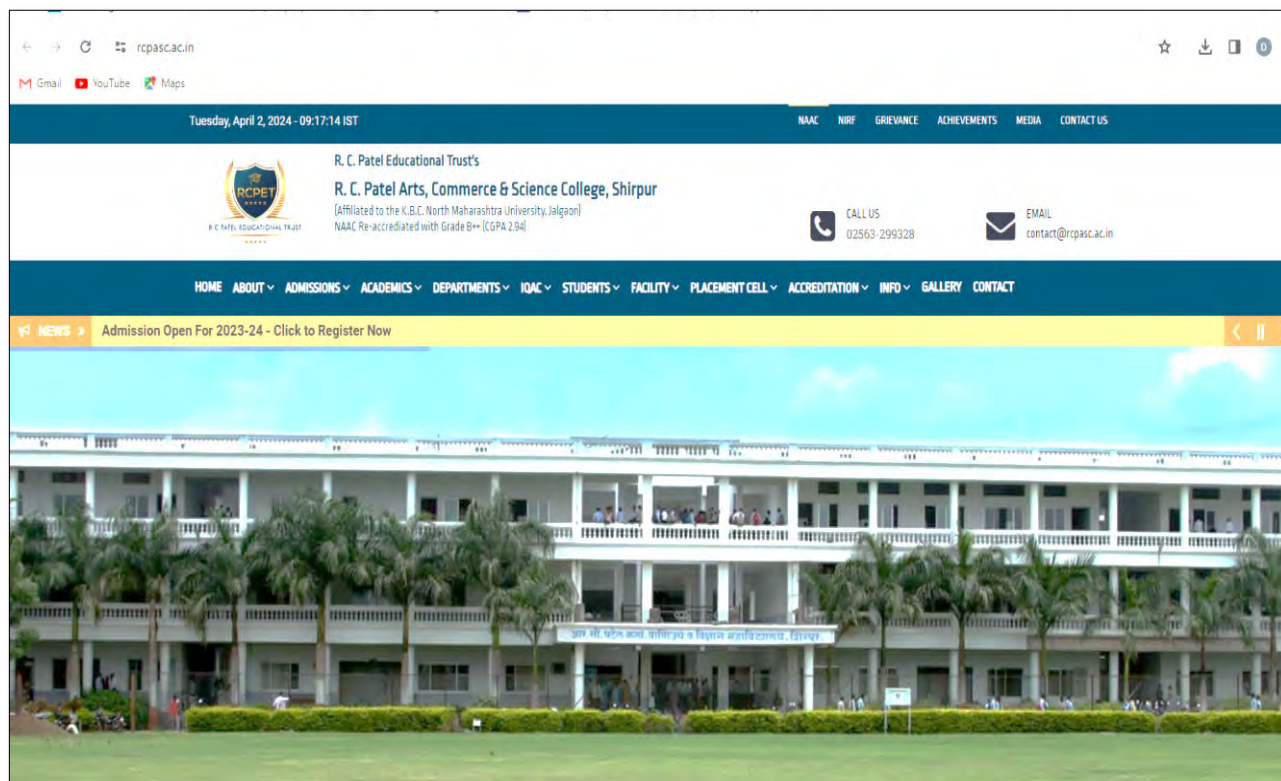

- Creation of departments, courses, and branches.
- Management of course fees, including due dates and fines.
- Mapping users to appropriate user levels.

- **Data Management:**
 - Backup and restoration of data.
 - Uploading data to the college website.
 - Maintaining the college records.

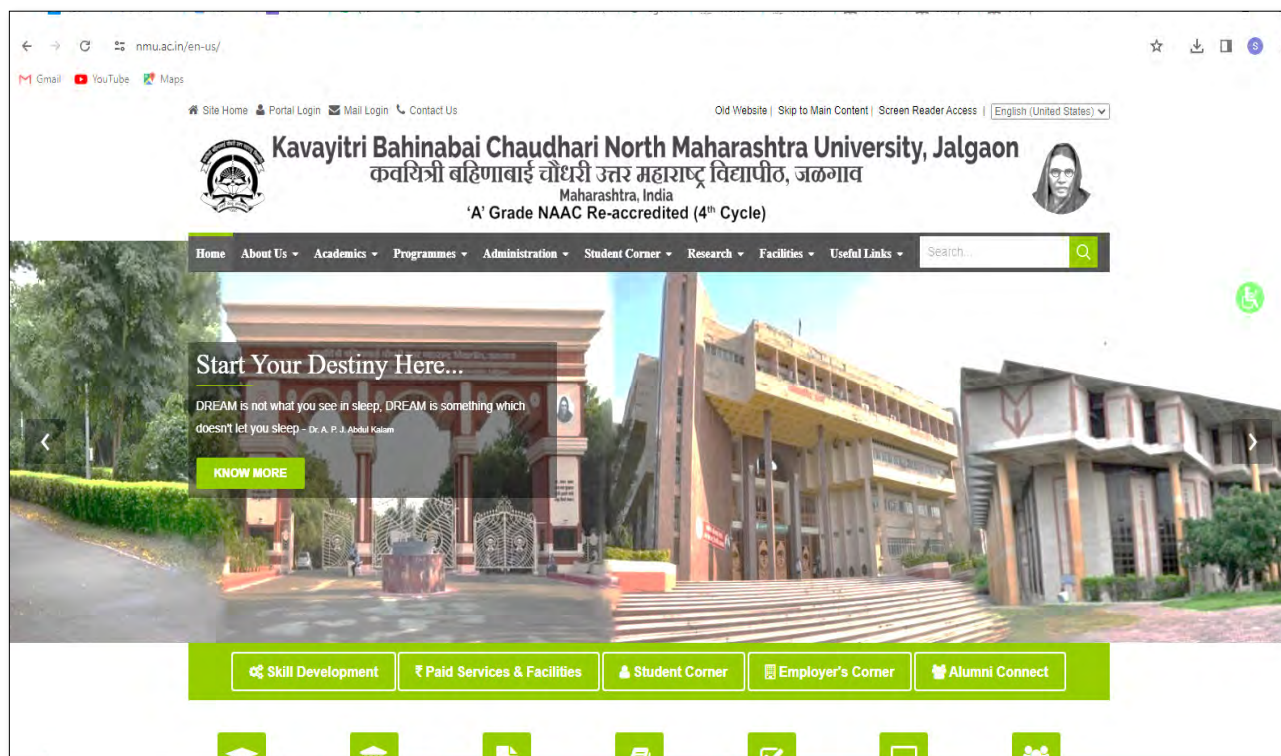

- **Academic Management:**
 - Setting the academic calendar.
 - Posting news and events for user notice.
 - Faculty entry of attendance and marks.
 - Analysis of student attendance.
 - Displaying a complete student profile on a single screen.
 - Uploading resources like notes for students.
 - Integration with attendance capturing devices.
 - Collecting student feedback on faculty.
 - Sending attendance shortage message to parents.

- **Course and Faculty Management:**
 - Creating and managing timetables and faculty teaching assignments.
 - Managing academic projects.
 - Maintaining the faculty academic register.
 - Tracking faculty workload and other records.
 - Issuing circulars.

The acknowledgement of N-List bills for 2019

Finance & Accounts:

As an integral part of e-governance and by regulatory guidelines, all financial transactions above a specified limit are conducted online, eliminating cash transactions. Key digital activities include:

1. Online Payments:

- Salaries and other employee benefits are paid through Bank/NEFT/RTGS.
- Scholarships, honorariums, and procurement transactions are processed cashless.

2. Financial Management Software:

- Tally and ERP 9 software are used to track student fee payments, generate receipts, produce financial reports, and facilitate quick data retrieval and auditing.
- The software generates necessary reports and books of accounts, aiding in data retrieval and auditing.
- The accounts office uses Tally ERP 9 to maintain all financial records and data of the college, such as generating reports, profit and loss statements, balance sheets, etc.

3. Payroll Management:

- Various software tools assist in calculating salaries, generating payroll reports, and producing pay slips.
- Staff members can access their pay slips through a portal using their user ID.

4. Compliance and Fund Management:

The college uses comprehensive TDS filing and compliance software to manage TDS, e-TDS filing, returns, and TDS compliance, ensuring proper management of funds received from the government.

E-Governance in Student Admission and Support

To streamline the admission process and manage inquiries efficiently, the college utilizes modern online communication channels. The admission procedures, including disclosure of rules, schedules, document verification, fee payments, and student counselling are conducted online whenever feasible. Relevant details are published on the college website to ensure transparency and provide student-centric information. Key features of the e-Governance student admission and support system include:

- **Online Admission Portal:**
 - The R. C. Patel A.C.S. College Student Admission Portal manages the entire admission process.
 - It handles various aspects such as the number of students applying to each course, withdrawals, and fee submission.
 -
 - Admission-related grievances are addressed through the admission support committee and grievance committee members.
- **Communication and Information:**
 - Admission procedures and student information are disclosed on the college website.
- **Academic Support:**
 - The college facilitates academic pursuits by providing easy access to three computer labs equipped with the latest software.
 - The entire campus is Wi-Fi enabled.
 - The college has a well-stocked and fully automated library with an Integrated Library Management System (ILMS), which is free, open-source, fully featured, and scalable.
- **Data Management:**
 - Imports of student data from Excel sheets, admission registers, and records of castes and sub-castes.
 - Tracking certificates to be submitted by students and managing re-admission of detained students.
- **Reporting:**
 - Generation of various reports related to admissions and student management.

Library System Features-The library system includes the following features:

- **Regulations:**
 - Establishment and maintenance of library rules for students and staff.
- **Cataloguing and Inventory:**
 - Entry and upload of books, journals, and magazines.
 - Management of book bank students and book reservations.
 - Handling book issues, returns, and renewals.

- Printing barcodes and providing Online Public Access Catalogue (OPAC) and search functionality.
- **Subscriptions and Database Management:**
 - Management of journal and magazine subscriptions and renewals.
 - Maintenance of a comprehensive database of titles, authors, and publishers.
- **Data Management:**
 - Backup and restore of library data.
 - Management of library budgets and expenditures, including purchases and receipts.
- **Stock Management:**
 - Conducting stock verification and generating various reports.

Portal for the college admission system

The screenshot displays a web portal for a college admission system. The user is logged in as DUPATEL. The page includes a navigation menu on the left with options like AUTHORIZATION, ACADEMIC, ATTENDANCE, HOSTEL, STORE, EXAMINATION, PAYROLL, ESTABLISHMENT, TITLE, PASSWORD RESET, and LIBRARY. The main content area shows a dashboard with statistics: STUDENTS (2292), EMPLOYEES (72), MALE (1122), FEMALE (1170), and OTHER STUDENTS (0). There is also a 'My To Do Details' table with columns for Date, Description, and Action. A 'Recent Activity' section lists various system updates and fee collections. The page footer includes a 'Swayam' logo and a 'Notification' section.

Fees Payer: Payment of admission fees is made online

The screenshot displays the Feepayr website interface. At the top, there is a navigation bar with links for Gmail, YouTube, Maps, Login, Maharashtra ERP Sol., Shiksha Education S., Maharashtra ERP Sol., Online Fee collector, and Admin MMJ - Log In. The main banner features the text "Start Using Feepayr Now!" and "Best online fee collection platform for educational campuses." Below the banner, there is a table with the following data:

Name	Institute Name	Class / Course
CHHOTU SHIVA BUYA	R.C.PATEL ARTS,COMMERCE & SCIENCE COLLEGE, SHIRPUR	BA - 3
JAYSHIR RANJIT JADHAV	R.C.PATEL ARTS,COMMERCE & SCIENCE COLLEGE, SHIRPUR	BA - 1
DINESH BHALSAHER SONAWANE	R.C.PATEL ARTS,COMMERCE & SCIENCE COLLEGE, SHIRPUR	BA - 1
PREMSING LALACHAN	R.C.PATEL ARTS,COMMERCE &	BA - 3

Below the table, there are three main buttons: "Make Payment", "Fees Receipt", and "My Payment Status". Two informational notes are displayed:

- Note! Payment will be reflected within 24 hours after making online payment!
- Note! If Payment is not reflected on portal within 24 hours, Go to My Payment Status and verify your payment!

The "Pending Payments" section contains the following table:

ACTION	FEES TYPE	COURSE	TOTAL FEES DUES	CURRENT DUE FEES	AMOUNT BEING PAID

<input checked="" type="checkbox"/>	UC EXAMINATION FEES	BA -2	60	60	60.00
TOTAL PAYABLE					110.00

A "Pay Now" button is located at the bottom of the pending payments table.

Examination System:

The college operates a fully computerized examination cell compliant with guidelines from K.B.C. North Maharashtra University (K.B.C.N.M.U.) and other regulatory bodies. This cell is accountable for maintaining the curriculum and publishing results online for various courses and programs. The system ensures accuracy, cost-effectiveness, and transparency in the college's operations through e-Governance procedures.

Key features of the e-Governance examination system include:

- **Curriculum and Results Management:**
 - Maintenance of the curriculum.
 - Online publication of results for various courses and programs.

- **Student Access and Communication:**
 - Students can access the college website for updates on examination-related difficulties such as dates and timetables.
 - Online notifications regarding examination dates, rules, and regulations are sent to students as needed.

- **Examination Support Systems:**
 - K.B.C. North Maharashtra University examination support is facilitated by the Examination Portal and it is used by college students and staff.
 - During the COVID-19 pandemic, all examinations were held online using the online examination portal.
 - Examination-related grievances are addressed through a dedicated email ID provided by the university.
 - Exam Fee Collection & Exam Schedules, Student Registrations for Regular and Supply Exams.
 - Seating Arrangement for External Exams & D-Forms, Entry and Upload of External and Internal Exams Marks.
 - External and Internal Marks Analysis & Reports, Progress Reports & Attendance Reminders.
 - Supplementary & Detained Students, Invigilation Charges for Staff, Reports.

The adoption of e-Governance in the examination system at R.C. Patel Arts, Commerce, and Science College has brought significant improvements in multiple areas:

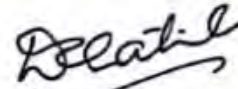

- **Enhanced Operational Efficiency:** The digitization of curriculum management, result publication, and examination notifications has streamlined processes, reducing administrative load and ensuring timely updates.
- **Increased Transparency:** Online access to examination schedules, rules, and results has promoted transparency, allowing students to stay informed and track their academic progress easily.
- **Improved Accessibility:** The implementation of online platforms enables students to access important examination information from anywhere, enhancing convenience and ensuring continuity, especially during disruptions like the COVID-19 pandemic.

- **Cost-Effectiveness:** By reducing the reliance on physical paperwork and manual processes, the e-Governance system lowers operational costs and supports sustainable practices.

In conclusion, the integration of e-Governance in the examination system at R.C. Patel Arts, Commerce and Science College has significantly enhanced the efficiency, transparency, and accessibility of examination processes. This aligns with the institution's commitment to leveraging technology to improve educational outcomes and the overall student experience.

ANNUAL
E-GOVERNANCE REPORT

2020-21

Annual E-Governance Report for the year 2020-21

E-Governance at R. C. Patel A. C. S. College leverages information and communication technologies to improve communication, transparency, accountability, and operational efficiency. In recent years, we have fully integrated e-governance into both academic and non-academic functions.

Implementation of E-Governance: The review meeting for 2020-21 was held in May 2020, focusing on operational challenges and software performance. The college conducts regular review meetings to assess progress and address challenges related to e-Governance implementation.

Online Organizational Functions:

- All staff members use official college email IDs for official communication.
- Minutes of various committees and IQAC meetings are consistently published on the college website for stakeholder accessibility.
- Library management, including acquisition, cataloging, circulation, and reporting, is streamlined through dedicated software, ensuring library management.
- Regular computer awareness programs are conducted for faculty and students to promote digital literacy.
- What are App groups are effectively utilized for disseminating instructions, information, announcements, and notices to all employees.

Administration:

Efforts are being made to reduce paper usage by encouraging online communication and information exchange among staff and students. Staff members communicate via email and various digital platforms. Dedicated and closely monitored whats app groups have been established to distribute instructions, information, directions, important announcements, and notices to all employees. The college enforces a mandatory biometric attendance system (face recognizer) for all staff, ensuring accurate attendance monitoring. Staff salaries are processed through net banking, with salary slips issued online. Additionally, online student satisfaction surveys are conducted to gauge their level of satisfaction.

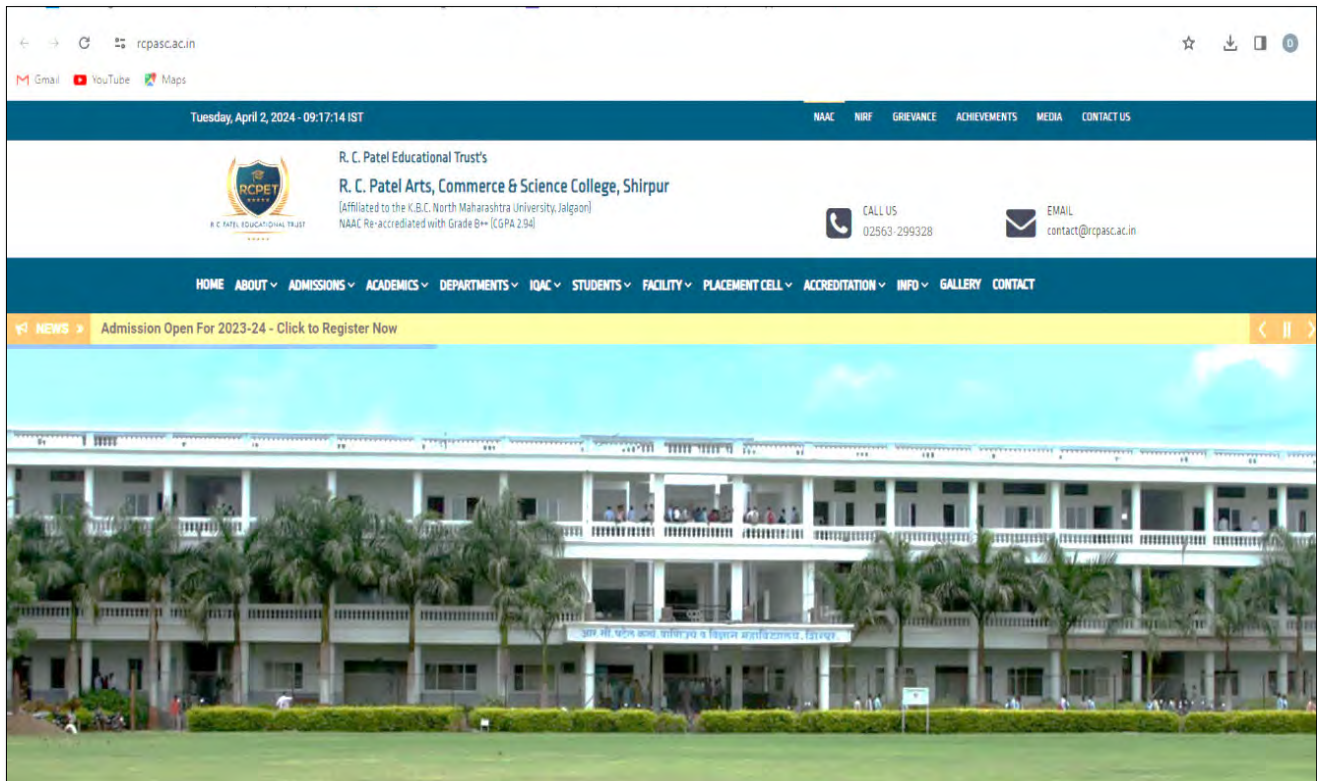

- During COVID-19, faculty and students were given remote access to all e-resources to ensure a smooth teaching-learning process, online teaching using Zoom Meet, Google Classroom, and Google Meet, and advanced concepts in Google Classroom & Google Meet was organized by various committees and departments in collaboration with IQAC. These programs aimed to familiarize faculty with new teaching and communication methods.

- During the pandemic, all classes were conducted online. Students living in remote areas were connected via e-learning platforms such as Google Meet, Zoom, and MS Teams. These platforms ensured effective knowledge transfer during the pandemic.
- The college faculty conducted and attended a series of webinars on various important issues, both academic and non-academic. Some webinars addressed topics related to COVID-19 management.

The e-Governance system of the administration has the following features:

- **Creation and Management:**
 - Creation of departments, courses, and branches.
 - Management of course fees, including due dates and fines.
 - Mapping users to appropriate user levels.
- **Data Management:**
 - Backup and restoration of data.
 - Uploading student data to the college website.
 - Maintaining the college records.
- **Academic Management:**
 - Setting the academic calendar.
 - Posting news and events for user notice.
 - Faculty entry of attendance and marks.
 - Analysis of student attendance.
 - Uploading resources like notes for students.
 - Integration with attendance capturing devices.
 - Sending attendance shortage notices to parents.
- **Course and Faculty Management:**
 - Creating and managing timetables and faculty teaching assignments.
 - Managing academic projects.
 - Maintaining the faculty academic register.
 - Tracking faculty workload, Issuing circulars.

Finance & Accounts:

As an integral part of e-governance and by regulatory guidelines, all financial transactions above a specified limit are conducted online, eliminating cash transactions. Key digital activities include:

1. Online Payments:

- Salaries and other employee benefits are paid through Bank/NEFT/RTGS.
- Scholarships, honorariums, and procurement transactions are processed cashless.

2. Financial Management Software:

- Tally and ERP 9 software are used to track student fee payments, generate receipts, produce financial reports, and facilitate quick data retrieval and auditing.
- The software generates necessary reports and books of accounts, aiding in data retrieval and auditing.
- The accounts office uses Tally ERP 9 to maintain all financial records and data of the college, such as generating reports, profit and loss statements, balance sheets, etc.

3. **Payroll Management:**

- Various software tools assist in calculating salaries, generating payroll reports, and producing pay slips.
- Staff members can access their pay slips through a portal using their user ID.

4. **Compliance and Fund Management:**

- The college uses comprehensive TDS filing and compliance software to manage TDS, e-TDS filing, returns, and TDS compliance, ensuring proper management of funds received from the government.

The e-Governance accounts system has the following features:

• **Financial Management:**

- Creation of revenue and expenditure heads.
- Department-wise budgets.
- Head-wise revenue and expenditure reports.
- Maintenance of bank accounts and transactions.
- Day book and cash book maintenance.
- Generation of profit and loss statements.

• **Student Financial Services:**

- Collection of attendance fines and exam fees.
- Processing of fee refunds to students.
- Estimation and management of student loans.

• **Supplier and Vendor Management:**

- Handling supplier payments and managing dues.

The adoption of e-Governance in the examination system at R.C. Patel Arts, Commerce and Science College has brought significant improvements in multiple areas:

- **Enhanced Operational Efficiency:** The digitization of curriculum management, result publication, and examination notifications has streamlined processes, reducing administrative load and ensuring timely updates.
- **Increased Transparency:** Online access to examination schedules, rules, and results has promoted transparency, allowing students to stay informed and track their academic progress easily.
- **Improved Accessibility:** The implementation of online platforms enables students to access important examination information from anywhere, enhancing convenience and ensuring continuity, especially during disruptions like the COVID-19 pandemic.
- **Cost-Effectiveness:** By reducing the reliance on physical paperwork and manual processes, the e-Governance system lowers operational costs and supports sustainable practices.

In conclusion, the integration of e-Governance in the examination system at R.C. Patel Arts, Commerce and Science College has significantly enhanced the efficiency, transparency, and accessibility of examination processes. This aligns with the institution's commitment to leveraging technology to improve educational outcomes and the overall student experience.

ANNUAL
E-GOVERNANCE REPORT

2021-22

Annual E-Governance Report for the year 2021-22

At our college, e-Governance endeavors to harness Information and Communication Technologies to enhance communication, transparency, accountability, and operational efficiency. Over the past years, we have fully integrated e-governance across both academic and administrative functions.

Key Highlights from the Report:

1. Implementation of E-Governance:

- Regular review meetings are conducted to evaluate progress and address challenges related to the implementation of e-governance.
- The review meeting for the previous year was held in May 2021, focusing on operational challenges and the performance of software systems.

2. Role of ERP:

- ERP modules play a crucial role in planning and follow-up activities, significantly improving efficiency and convenience in e-governance.
- Integration of ERP systems with the college website has enhanced transparency in our admission processes.

3. Online Organizational Functions:

- All staff members use official college email IDs for official communications.
- Minutes of various committee and IQAC meetings are regularly published on the college website for easy stakeholder access.
- Library management activities, including acquisition, cataloging, circulation, and reporting, are streamlined through dedicated software, ensuring centralized management.
- Regular computer literacy programs are conducted for faculty and students to promote digital skills.
- What are App groups are effectively utilized to disseminate instructions, information, announcements, and notices to all employees.

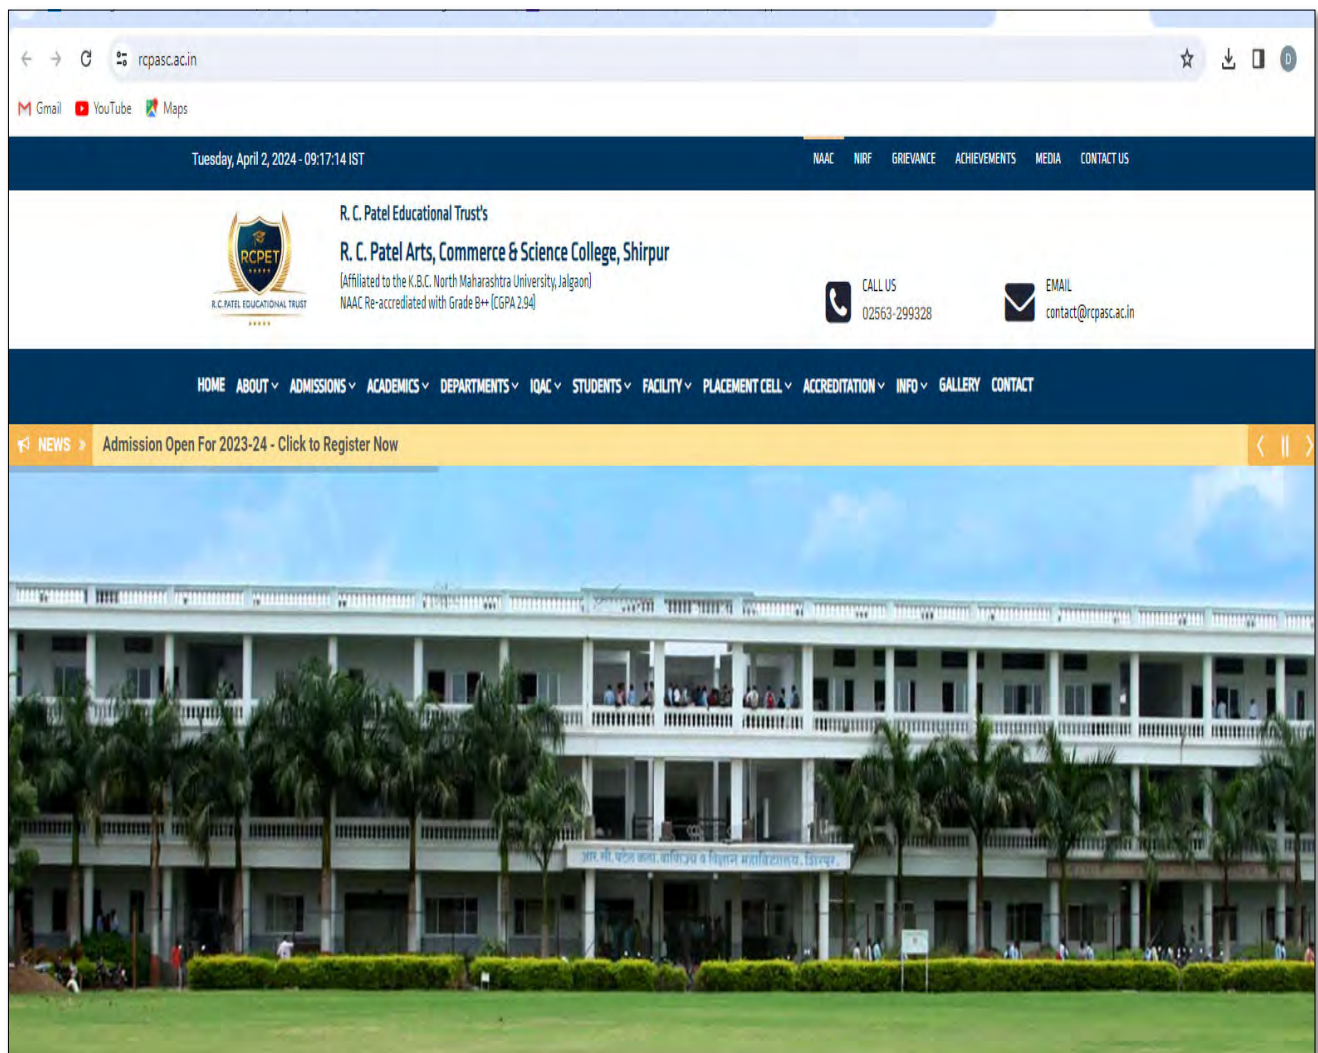

Administration:

Efforts are focused on reducing paper usage by promoting online communication among staff and students. Communication occurs through email and various digital platforms. College has established closely monitored what are app groups for instructions, information, directions, announcements, and notices to all employees. The college enforces a mandatory biometric attendance system for all staff to monitor attendance. Staff salaries are processed via net banking, and salary slips are issued online to all staff members.

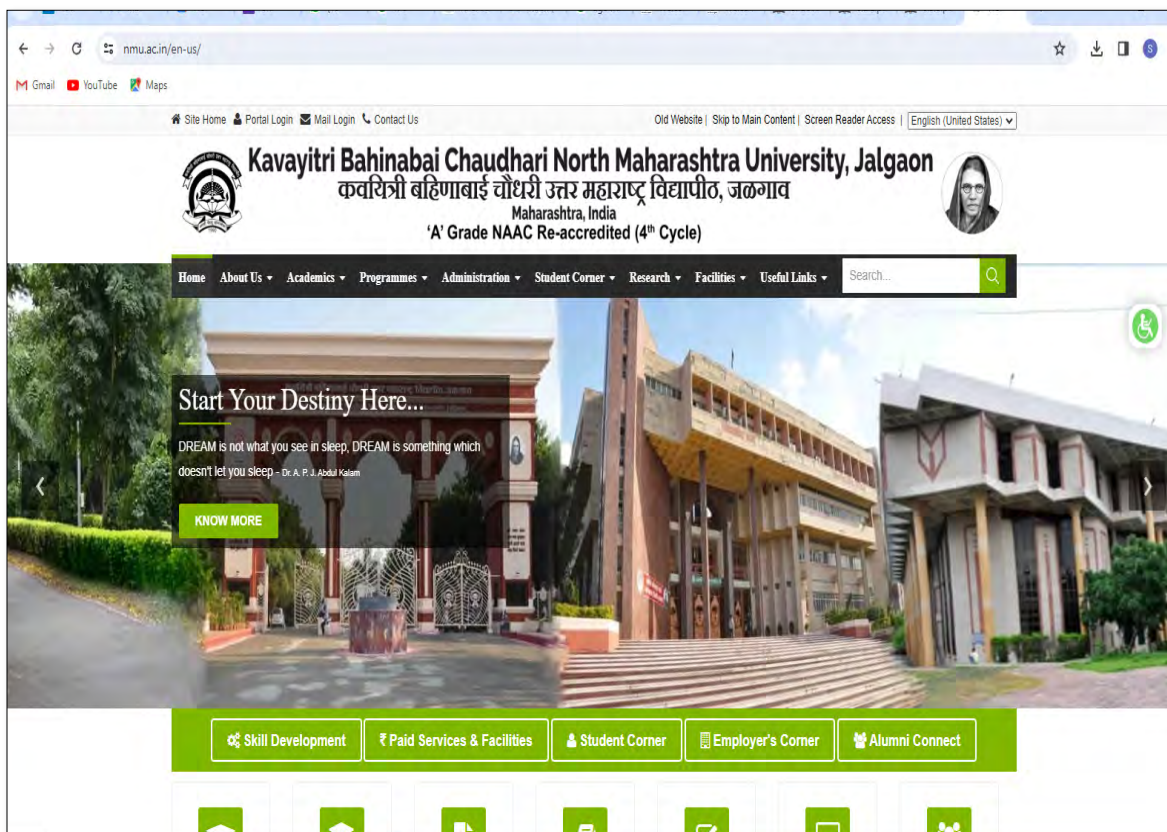

There are paperless communications in the college and online mode is adopted for the same. Staff and students communicate with each other through email and other digital platforms.

- A committed What Apps Group has been created for sharing instruction information, direction, vital announcements, and notices to employees.
- For day-to-day operations we have our in-house event management incorporates all events conducted by all the departments, This Software is used to preserve view and obtain information about every student's activities.
- The college has a biometric attendance system compulsory for all the staff.
- The college has a staff attendance portal where all types of leave records are maintained. The portal is beneficial to keep the monthly record of attendance of all the staff.
- Salary is paid to the staff through net banking and salary slips is duly downloaded online to all the staff members.

Finance & Accounts:

As an integral part of e-governance and by regulatory guidelines, all financial transactions above a specified limit are conducted online, eliminating cash transactions. Key digital activities include:

1. Online Payments:

- Salaries and other employee benefits are paid through Bank/NEFT/RTGS.
- Scholarships, honorariums, and procurement transactions are processed cashless.

2. Financial Management Software:

- Tally and ERP 9 software are used to track student fee payments, generate receipts, produce financial reports, and facilitate quick data retrieval and auditing.
- The software generates necessary reports and books of accounts, aiding in data retrieval and auditing.
- The accounts office uses Tally ERP 9 to maintain all financial records and data of the college, such as generating reports, profit and loss statements, balance sheets, etc.

3. **Payroll Management:**

- Various software tools assist in calculating salaries, generating payroll reports, and producing pay slips.
- Staff members can access their pay slips through a portal using their user ID.

4. **Compliance and Fund Management:**

- The college uses comprehensive TDS filing and compliance software to manage TDS, e-TDS filing, returns, and TDS compliance, ensuring proper management of funds received from the government.

The e-Governance accounts system has the following features:

- **Financial Management:**

- Creation of revenue and expenditure heads.
- Department-wise budgets.
- Head-wise revenue and expenditure reports.
- Maintenance of bank accounts and transactions.
- Day book and cash book maintenance.
- Generation of profit and loss statements.

- **Student Financial Services:**

- Collection of attendance fines and exam fees.
- Processing of fee refunds to students.
- Estimation and management of student loans.

- **Supplier and Vendor Management:**

- Handling supplier payments and managing dues.

E-Governance in Student Admission and Support

To streamline the admission process and manage inquiries efficiently, the college utilizes modern online communication channels. The admission procedures, including disclosure of rules, schedules, document verification, fee payments, and student counselling are conducted online whenever feasible. Relevant details are published on the college website to ensure transparency and provide student-centric information. Key features of the e-Governance student admission and support system include:

- **Online Admission Portal:**
 - The R. C. Patel A.C.S. College Student Admission Portal manages the entire admission process.
 - It handles various aspects such as the number of students applying to each course, withdrawals, and fee submission.
 -
 - Admission-related grievances are addressed through the admission support committee and grievance committee members.
- **Communication and Information:**
 - Admission procedures and student information are disclosed on the college website.
- **Academic Support:**
 - The college facilitates academic pursuits by providing easy access to three computer labs equipped with the latest software.
 - The entire campus is Wi-Fi enabled.
 - The college has a well-stocked and fully automated library with an Integrated Library Management System (ILMS), which is free, open-source, fully featured, and scalable.
- **Data Management:**
 - Imports of student data from Excel sheets, admission registers, and records of castes and sub-castes.
 - Tracking certificates to be submitted by students and managing re-admission of detained students.
- **Reporting:**
 - Generation of various reports related to admissions and student management.

Library System Features-The library system includes the following features:

- **Regulations:**
 - Establishment and maintenance of library rules for students and staff.

- **Cataloging and Inventory:**
 - Entry and upload of books, journals, and magazines.
 - Management of book bank students and book reservations.
 - Handling book issues, returns, and renewals.
 - Printing barcodes and providing Online Public Access Catalogue (OPAC) and search functionality.
- **Subscriptions and Database Management:**
 - Management of journal and magazine subscriptions and renewals.
 - Maintenance of a comprehensive database of titles, authors, and publishers.
- **Data Management:**
 - Backup and restore of library data.
 - Management of library budgets and expenditures, including purchases and receipts.
- **Stock Management:**
 - Conducting stock verification and generating various reports.

The footer contains a 'Photo Gallery' link, copyright information (2011), and technical requirements (1024 x 768 resolution, IE 7.0, Firefox 3.0).

- **Enhanced Operational Efficiency:** The digitization of curriculum management, result publication, and examination notifications has streamlined processes, reducing administrative load and ensuring timely updates.
- **Increased Transparency:** Online access to examination schedules, rules, and results has promoted transparency, allowing students to stay informed and track their academic progress easily.
- **Improved Accessibility:** The implementation of online platforms enables students to access important examination information from anywhere, enhancing convenience and ensuring continuity, especially during disruptions like the COVID-19 pandemic.
- **Cost-Effectiveness:** By reducing the reliance on physical paperwork and manual processes, the e-Governance system lowers operational costs and supports sustainable practices.

In conclusion, the integration of e-Governance in the examination system at R.C. Patel Arts, Commerce and Science College has significantly enhanced the efficiency, transparency, and accessibility of examination processes. This aligns with the institution's commitment to leveraging technology to improve educational outcomes and the overall student experience.

ANNUAL
E-GOVERNANCE REPORT

2022-23

Annual E-Governance Report for the year 2022-23

At our college, e-Governance endeavors to harness Information and Communication Technologies to enhance communication, transparency, accountability, and operational efficiency. Over the past years, we have fully integrated e-governance across both academic and administrative functions.

Key Highlights from the Report:

4. Implementation of E-Governance:

- Regular review meetings are conducted to evaluate progress and address challenges related to the implementation of e-governance.
- The review meeting for the previous year was held in May 2022, focusing on operational challenges and the performance of software systems.

5. Role of ERP:

- ERP modules play a crucial role in planning and follow-up activities, significantly improving efficiency and convenience in e-governance.
- Integration of ERP systems with the college website has enhanced transparency in our admission processes.

6. Online Organizational Functions:

- All staff members use official college email IDs for official communications.
- Minutes of various committee and IQAC meetings are regularly published on the college website for easy stakeholder access.
- Library management activities, including acquisition, cataloging, circulation, and reporting, are streamlined through dedicated software, ensuring centralized management.
- Regular computer literacy programs are conducted for faculty and students to promote digital skills.
- What are App groups are effectively utilized to disseminate instructions, information, announcements, and notices to all employees.

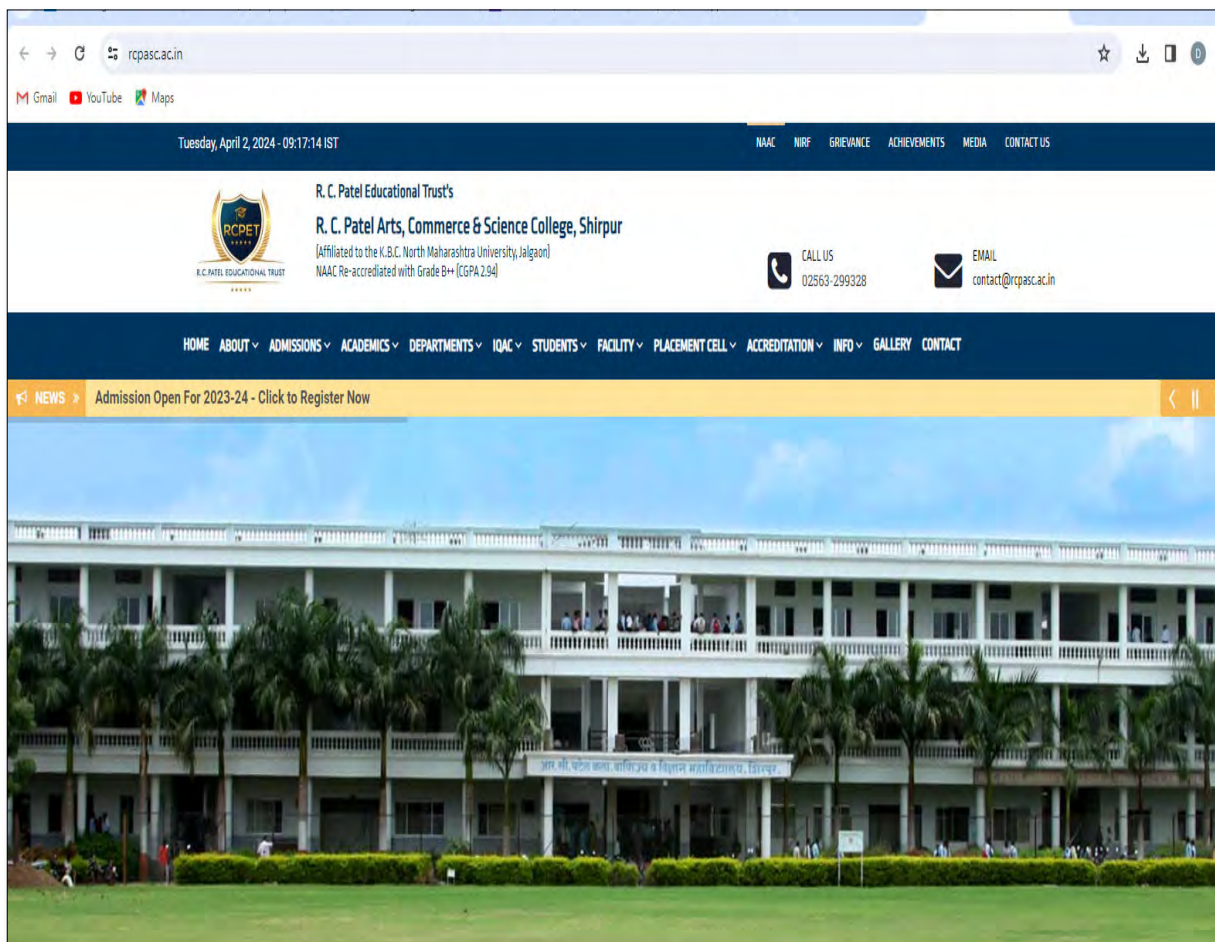

Administration:

Efforts are focused on reducing paper usage by promoting online communication among staff and students. Communication occurs through email and various digital platforms. College has established closely monitored what are app groups for instructions, information, directions, announcements, and notices to all employees. The college enforces a mandatory biometric attendance system for all staff to monitor attendance. Staff salaries are processed via net banking, and salary slips are issued online to all staff members.

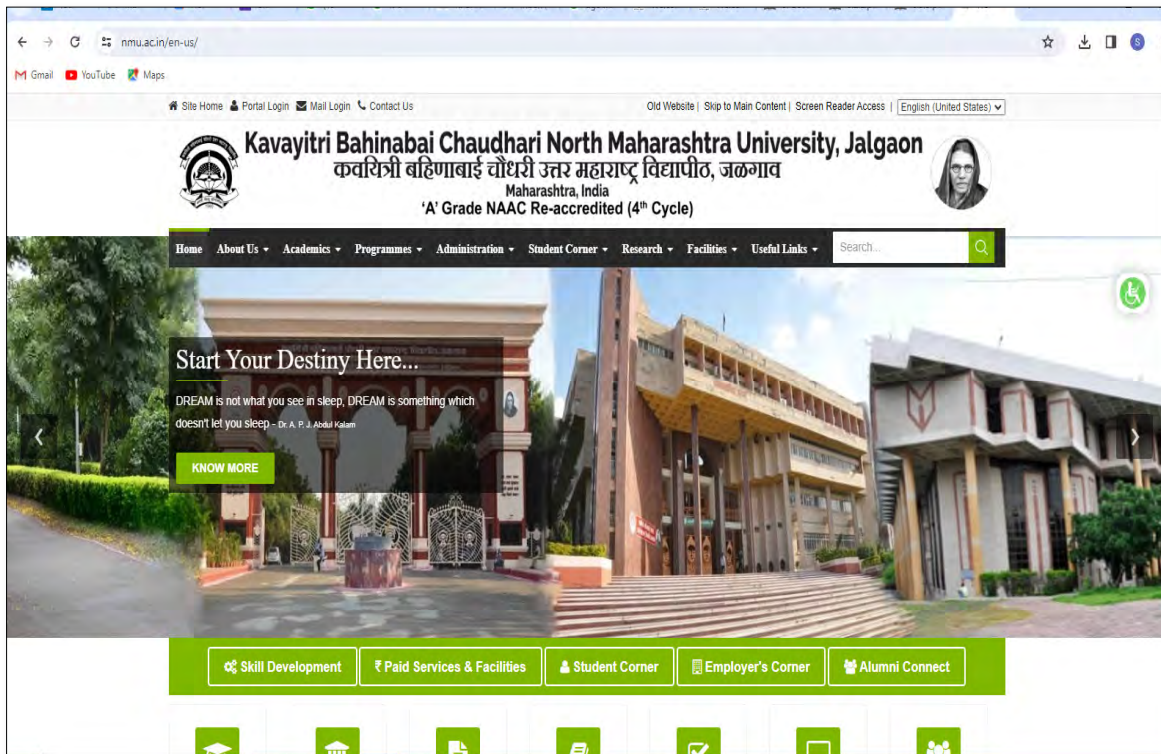

There are paperless communications in the college and online mode is adopted for the same. Staff and students communicate with each other through email and other digital platforms.

- A committed What Apps Group has been created for sharing instruction information, direction, vital announcements, and notices to employees.
- For day-to-day operations we have our in-house event management incorporates all events conducted by all the departments, This Software is used to preserve view and obtain information about every student's activities.
- The college has a biometric attendance system compulsory for all the staff.
- The college has a staff attendance portal where all types of leave records are maintained. The portal is beneficial to keep the monthly record of attendance of all the staff.
- Salary is paid to the staff through net banking and salary slips is duly downloaded online to all the staff members.

Finance & Accounts:

As an integral part of e-governance and by regulatory guidelines, all financial transactions above a specified limit are conducted online, eliminating cash transactions. Key digital activities include:

1. Online Payments:

- Salaries and other employee benefits are paid through Bank/NEFT/RTGS.
- Scholarships, honorariums, and procurement transactions are processed cashless.

2. Financial Management Software:

- Tally and ERP 9 software are used to track student fee payments, generate receipts, produce financial reports, and facilitate quick data retrieval and auditing.
- The software generates necessary reports and books of accounts, aiding in data retrieval and auditing.
- The accounts office uses Tally ERP 9 to maintain all financial records and data of the college, such as generating reports, profit and loss statements, balance sheets, etc.

3. Payroll Management:

- Various software tools assist in calculating salaries, generating payroll reports, and producing pay slips.
- Staff members can access their pay slips through a portal using their user ID.

4. Compliance and Fund Management:

- The college uses comprehensive TDS filing and compliance software to manage TDS, e-TDS filing, returns, and TDS compliance, ensuring proper management of funds received from the government.

The e-Governance accounts system has the following features:

• Financial Management:

- Creation of revenue and expenditure heads.
- Department-wise budgets.
- Head-wise revenue and expenditure reports.
- Maintenance of bank accounts and transactions.
- Day book and cash book maintenance.
- Generation of profit and loss statements.

- **Student Financial Services:**

- Collection of attendance fines and exam fees.
- Processing of fee refunds to students.
- Estimation and management of student loans.

- **Supplier and Vendor Management:**

- Handling supplier payments and managing dues.

E-Governance in Student Admission and Support

To streamline the admission process and manage inquiries efficiently, the college utilizes modern online communication channels. The admission procedures, including disclosure of rules, schedules, document verification, fee payments, and student counselling are conducted online whenever feasible. Relevant details are published on the college website to ensure transparency and provide student-centric information.

Key features of the e-Governance student admission and support system include:

- **Online Admission Portal:**
 - The R. C. Patel A.C.S. College Student Admission Portal manages the entire admission process.
 - It handles various aspects such as the number of students applying to each course, withdrawals, and fee submission.
 - Admission-related grievances are addressed through the admission support committee and grievance committee members.
- **Communication and Information:**
 - Admission procedures and student information are disclosed on the college website.

- **Academic Support:**
 - The college facilitates academic pursuits by providing easy access to three computer labs equipped with the latest software.
 - The entire campus is Wi-Fi enabled.
 - The college has a well-stocked and fully automated library with an Integrated Library Management System (ILMS), which is free, open-source, fully featured, and scalable.
- **Data Management:**
 - Imports of student data from Excel sheets, admission registers, and records of castes and sub-castes.
 - Tracking certificates to be submitted by students and managing re-admission of detained students.
- **Reporting:**
 - Generation of various reports related to admissions and student management.

Library System Features-The library system includes the following features:

- **Regulations:**
 - Establishment and maintenance of library rules for students and staff.
- **Cataloging and Inventory:**
 - Entry and upload of books, journals, and magazines.
 - Management of book bank students and book reservations.
 - Handling book issues, returns, and renewals.
 - Printing barcodes and providing Online Public Access Catalogue (OPAC) and search functionality.
- **Subscriptions and Database Management:**
 - Management of journal and magazine subscriptions and renewals.
 - Maintenance of a comprehensive database of titles, authors, and publishers.
- **Data Management:**
 - Backup and restore of library data.
 - Management of library budgets and expenditures, including purchases and receipts.
- **Stock Management:**
 - Conducting stock verification and generating various reports.

A system for the circulation of books by student in a college library

The screenshot displays the MasterSoft library management system interface. The browser address bar shows the URL: libcloud.mastersofterp.in/BookIssueReturn/index/00002x. The page title is "LIBMAN | Central Library". The interface includes a search bar, a navigation menu on the left, and a main content area with three tabs: "Issue Mode", "Return Mode", and "Renewal Mode". The "Issue Mode" tab is active, showing a form for issuing a book to a borrower. The form includes fields for BT Number (4175560), Borrower Name (TANMAY JAGDISH DESALE), Valid Date (31/07/2024), BT Issue Date (10/12/2022), Designation, Enrollment No., Branch/Department (B.C.A./FIRST YEAR), Category (OBC), BT Status (ACT), BT Type (STUDENT), No. Of Issue Left (0), Duration (In Days) (15), Issue Date (18/03/2024), and Return Date (02/04/2024). The form also displays a "Balance Late" status with a "Fee" of 0.00. The right side of the form contains fields for Series Code (GEN), Acc No. (11014), Cir/Ref/BBank (C), Book Title (Software engineering), Author (Aggarwal, K.K.), Sub Title (0), Subject (Computer), Class/Call Number (0), Edition (2), Publisher (New Age International Publication), Year (0), City Name (0), Pages (0), and Remark If Any (Enter Remark if Any). The form includes buttons for "Issue Book", "Return Book", "Renewal Book", and "Cancel". A "Total Books in Cart" button is also visible. The footer of the page reads "Designed and Developed by MasterSoft ERP Solution Pvt. Ltd." and a green notification box at the bottom right states "Due Date for this Book is - 02/04/2024".

The adoption of e-Governance in the examination system at R.C. Patel Arts, Commerce and Science College has brought significant improvements in multiple areas:

- **Enhanced Operational Efficiency:** The digitization of curriculum management, result publication, and examination notifications has streamlined processes, reducing administrative load and ensuring timely updates.
- **Increased Transparency:** Online access to examination schedules, rules, and results has promoted transparency, allowing students to stay informed and track their academic progress easily.
- **Improved Accessibility:** The implementation of online platforms enables students to access important examination information from anywhere, enhancing convenience and ensuring continuity, especially during disruptions like the COVID-19 pandemic.
- **Cost-Effectiveness:** By reducing the reliance on physical paperwork and manual processes, the e-Governance system lowers operational costs and supports sustainable practices.

In conclusion, the integration of e-Governance in the examination system at R.C. Patel Arts, Commerce and Science College has significantly enhanced the efficiency, transparency, and accessibility of examination processes. This aligns with the institution's commitment to leveraging technology to improve educational outcomes and the overall student experience.
