Action Taken Report on the feedback collected from Stakeholders: Year 2019-2020

The IQAC of R. C. Patel ACS College, Shirpur through feedback analysis cell of the institution designs and collects feedback from different stakeholders to monitor and evaluate its performance quality on curriculum, teaching-learning process, curricular and extracurricular activities and college infrastructure related issues. For the academic year 2019-2020 feedback was collected from students, parents, teachers, alumni and employer during the month of January and February, the collected feedback was analysed by feedback cell and submitted report to IQAC.

Based on discussion made on feedback analysis report 2018-2019 at IQAC meeting is held on 17 March 2020 following actions were taken: -

Feedback On Curriculum	
Issues	Action Taken
Students who take admission to FYBSC does not aware of the culture of college, again with analysis it is found that the are not happy with the brhaviour of administrative staff.	To understand the smooth working of college and to know admisnstrative staff well college were oragnised the one day orientation for the newly admitted students.
From the feedback analysis it is observed that the marks of the internal exam and problems solution is not discussed with students	A corrective action is taken by principal by colling meeting with all the head of departments and ask them to shrare the marks of all the students on the deprtments notice board and arrange on lecture for the solution of internal exam.
As per the analysis of feedback, the approach of college towards the internship and field visit is not satisfactory.	College start to search the companies who provides the internship and try to organize the placement for that. And college promote the students for filed visit at Priyadarshani sut girani.
From the analysis it is found that students are not found to whom we may contact for any quary because college don't have any teacher mentor facility.	College start the teacher mentor where each teacher have to keep the track of 25 students throughout the year, and try to solve there difficulties
From the analysis as per the students the academic achievements them are not appricted by institute.	As per the discussion with team on prize distribution committee is form and at the end of every year college apprците the achievements of the students. Similiraly for appreciation college create the news and published in news paper.

Form the feedback analysis it is noted that the instruments in labrotory are not sufficient for the strength of the students.	The committee audits the insufficient instruments and communicate with management and try to bring sufficient instruments according to the strenght of students.
As pere the analysis report of 19-20 it is observed that the students are not satisfy with safety measures in college.	This concern with high priority and college has decided to install CCTV in college premises.
From the feedback analysis of alumani it is observed that alumani is not satisfy with the initiatives taken by the college to bridge thegap between industry & academia.	Principal communacate with all the HOD's and ask them to oragnies the guest lectures from the industry persons.
Students of Some departments felt that classes did not regularly happen in college.	Meeting with departments head is held to inform the irregularities classes. All departments are directed strictly adhere to class timetable.
From the students feedback it is observed that the quality of food provided in canteen is not of good quality.	The principal call the canteen committee and ask them for corrective mesures immediately.
There were also calls for improvement in washroom hygiene in both student and staff toilets.	It is noted and reported to concern sanitation committee and asked them to clean toilets twice a day.
Students are not happy with the internet facility provided by institute.	Institute installed 05 wifi routers for the access of internet.
