2021 – 2022**

Date:- 12 March 2022

**Action Taken Report on the feedback collected from  
Stakeholders:  
Year 2021-2022**

The IQAC of R. C. Patel ACS College, Shirpur through feedback analysis cell of the institution designs and collects feedback from different stakeholders to monitor and evaluate its performance quality on curriculum, teaching-learning process, curricular and extracurricular activities and college infrastructure related issues. For the academic year 2021-2022 feedback was collected from students, parents, teachers, alumni and employer during the month of January and February, the collected feedback was analysed by feedback cell and submitted report to IQAC.

Based on discussion made on feedback analysis report 2021-2022 at IQAC meeting is held on 08 March 2022 following actions were taken: -

<b>Feedback On Curriculum</b>	
<b>Issues</b>	<b>Action Taken</b>
From the feedback analysis it is found that students does not understand the applicability of prescribed curriculum in practical life.	Various departments organized presentations and Training program to understood the applicability of the syllabus in the practical life.
From the teacher analysis it is observed that teachers are not satisfy with the CAS process of institute.	For the bias process of CAS institute implements the academic API for all the employee on the basis of score of API the CAS is done from institute.
Case studies and class discussions have been incorporated in most of the courses. However, there is need to develop inhouse case studies and illustrations	It is suggested by the authorities that add internships/ field assignments/ projects/ case studies in the syllabus wherever possible and content regarding employability have been incorporated.
Suggestions for sustainable improvement of the college surroundings	Green initiative is taken by the college where all students and staff donate plants to college for free. And planation activity is also carried out in the premises of college campus.
Some concerns are raised regarding the internet connectivity and student-computer ratio in the college.	The internet bandwidth coverage of the college has improved. New and upgraded computers are added in the computer lab. Functional computers and projectors are installed in all
