ICT Based Facilities

- One of the main aims of information and communication technology is to help students to become competent and confident users who can use the basic knowledge and skills acquired to assist them in their daily lives.
- It is also supposed to prepare students for the world of tomorrow.
- It aims to help learners to have an open and flexible mind.
- This will help them to adjust to the inevitable future changes.
- All departments has senses digital screen for conducting lectures for First, Second, Third and Masters Students.
- ICT enabled classroom, seminar hall and lab make the mission of college authority successful.
- The ICT infrastructure of the college helps to maintain the entire education system fit and fine during the pandemic caused by Covid-19 when the students have been out of campus for a long time.
- A language laboratory is a dedicated space for foreign language learning where students access audio or audio-visual materials. They allow a teacher to listen to and manage student audio, which is delivered to individual students through headsets or in isolated sound booths.
