To,
The Principal,
R.C. Patel Art's, Commerce and Science College, Shirpur.

Subject: - Sharing of internet facility

Dear Sir,

An arrangement for providing internet connectivity has been made for R.C. Patel Art's Commerce and Science College, Shirpur through shared I.T. infrastructure of R.C. Patel Educational trust and Shirpur Education Society.

We are having central NOC (Network Operation Center) having 875 Mbps premium (1:1) internet leased line connectivity from three different internet service providers. Reliance Jio Infocomm Ltd (200 Mbps), Ishan netsol Pvt. Ltd. (175 Mbps), Bharat Sanchar Nigam Limited (500 Mbps). This internet connectivity is secured through Fortigate 400-F firewall and load balancer. This NOC is having backup of UPS and diesel generator to protect from power failure.

We have physically made this available to the R. C. Patel Art, Commerce, and Science College in Shirpur through the use of an IP-based network over optical fiber cable. Therefore, it is recommended that you use this internet facility for your college and inform the faculty and students about it.

Yours Truly,

Director

R. C. Patel Educational Trust
