Report on Program Conducted by Alumni Association at R. C. Patel Arts, Commerce and Science College, Shirpur

Date: 27th November 2022

Venue: R. C. Patel Arts, Commerce and Science College, Shirpur

Program Title: Lecture on "Post Covid Adaptations"

Resource Person: Dr. Diptraj Chaudhari, Postdoc scholar at University of South Florida

Introduction: On the 27th November 2022, the Alumni Association of R. C. Patel Arts, Commerce and Science College, Shirpur organized a special lecture aimed at "Post Covid Adaptations" for B.Sc. and M.Sc. students. The session was conducted by Dr. Diptraj Chaudhari, an esteemed alumnus currently based in Postdoc scholar at University of South Florida, known for his expertise in microbial ecology. An alumni meet focused on post-COVID adaptations could be a valuable opportunity for former classmates or colleagues to discuss and reflect on how their respective fields or industries have evolved in response to the pandemic.

Program Details: The lecture commenced at 10:30 AM in the college Auditorium hall and was attended by students and faculty members from various disciplines within the college. Dr. Diptraj Chaudhari, expertise in microbial ecology from his own journey post-college and microbial world played a fundamental part in his achievement.

Some potential discussion points:

1. **Remote Work Experiences:** Shared experiences and challenges of transitioning to remote work, including productivity, communication, and maintaining work-life balance.
2. **Impact on Industries:** How different industries have adapted to the pandemic, such as healthcare, education, hospitality, and technology. Discuss changes in business models, customer behaviour, and market trends.
3. **Technological Advances:** Explored the role of technology in enabling remote work, virtual collaboration, e-commerce growth, telemedicine, and other digital innovations accelerated by the pandemic.
4. **Health and Safety Measures:** Discussed the implementation of health and safety protocols in workplaces and public spaces, including the effectiveness of measures like mask mandates, social distancing, and vaccination requirements.

5. **Economic Impacts:** Reflected on the economic consequences of the pandemic, such as job losses, business closures, government stimulus efforts, and recovery strategies.
6. **Education and Skill Development:** Shared insights on how education and training programs have adapted to remote learning and digital platforms, and the impact on skills development and lifelong learning.
7. **Social and Cultural Changes:** Explored shifts in social norms, community resilience, mental health awareness, and the importance of social connections during periods of isolation.
8. **Future Trends and Opportunities:** Looked ahead to emerging trends post-pandemic, such as hybrid work models, sustainable practices, healthcare innovations, and opportunities for growth and innovation.
9. **Lessons Learned and Resilience:** Reflected on personal and professional lessons learned during the pandemic, resilience strategies, and how these experiences have shaped individual careers and goals.
10. **Networking and Support:** Provided a platform for alumni to reconnect, network, and support each other professionally and personally in navigating ongoing challenges and opportunities.

Interactive Session:

The lecture was followed by an interactive Q&A session where students actively participated by asking questions related to personal development, career choices, and overcoming challenges in the professional world. Dr. Diptraj Chaudhari addressed each query with practical advice and motivational insights based on his own experiences.

Conclusion:

The program concluded at 2.30 PM with a vote of thanks extended to Dr. Diptraj Chaudhari for his valuable contribution to the Post Covid Adaptations of the students. Participants expressed gratitude for the opportunity to learn from an accomplished alumnus and left the seminar hall inspired and motivated to work on their individualities and occupation objectives.

Feedback:

Feedback collected after the session indicated a positive response from the attendees. Students appreciated Dr. Diptraj Chaudhari's friendly manner, significant content, and actionable assistance that they could apply in their academic and professional lives.

Future Implications:

The success of this program underscores the importance of alumni engagement in nurturing the holistic development of students. Such initiatives not only provide

valuable insights but also strengthen the bond between current students and alumni, fostering a supportive community within the college.

In conclusion, the lecture on "Post Covid Adaptations" delivered by Dr. Diptraj Chaudhari was a resounding success, enriching the learning experience of B.Sc. and M.Sc. students at R. C. Patel Arts, Commerce and Science College, Shirpur. Alumni expressed interest in continuing the dialogue through regular meetups, workshops, and collaborative projects. They emphasized the value of networking and mutual support in driving professional growth and personal development in a post-COVID world.

Venue: R. C. Patel Arts, Commerce and Science College, Shirpur

Program Title: Lecture on "Career counselling on job opportunities in India and abroad"

Resource Persons: Dr. Pradip Chaudhari, Postdoc scholar at University of South Florida, Mr. Ravikiran Bhamare, Manager at Haffkin Institute, Pune.

Introduction:

A career counseling session with the alumni of College was organized by Alumni association for the students on 12th December 2021. The Alumni started arriving in college by 9.00 a.m. and they were welcomed by the professors of the department. They were introduced to the students of the department.

Program Details:

The program was inaugurated by the Principal, Dr. D. R. Patil. Alumni were welcomed and honored on the occasion. The resource persons for the event were Dr. Pradip Chaudhari, who is currently working as a Principal Engineer, TSMC, Hsinchu, Taiwan from Batch 2001-2003, who is currently the Assistant Manager Serum Institute, Pune, Mr. Ravikiran Bhamare, from Batch 2004-2006, who is currently as a Manager at Haffkin Institute, Pune. A total of 58 students were present in the event from the various departments of College.

Interactive Session:

The Principal Dr. D. R. Patil mentioned that such an event helps maintain a strong network between the alumni and the institute. Our institute also serves to keep updated and current information about the alumni and provides career guidance after studies. In this meet, the potential contributions of former students for the betterment of the college were also discussed.

Meeting Highlights:

1. **Current Opportunities:**
 - a. High demand in IT, healthcare, education, finance, and manufacturing sectors.
 - b. Emerging fields: AI, data science, renewable energy, and biotechnology.
2. **Government Initiatives:**

- a. Skill India Mission and Digital India initiatives aimed at enhancing employability.
3. **Challenges:**
 - a. Competition for jobs due to a large population.
 - b. Regional disparities in job availability.
4. **Popular Destinations:**
 - a. USA, Canada, Australia, UK, and Middle Eastern countries.
5. **Sector-Specific Opportunities:**
 - a. Technology, healthcare, engineering, and finance are in high demand.
 - b. Growth in renewable energy, environmental sciences, and international trade.
6. **Visa and Immigration Policies:**
 - a. Overview of visa requirements and immigration policies for popular destinations.
7. **Challenges:**
 - a. Adapting to cultural differences and new work environments.
 - b. Navigating visa processes and legal requirements.
8. **Essential Skills:**
 - a. Technical skills relevant to the industry.
 - b. Soft skills: communication, teamwork, problem-solving, and adaptability.
9. **Certification and Education:**
 - a. Importance of relevant certifications and advanced degrees.
 - b. Online courses and certifications from reputed platforms (e.g., Coursera, edX).
10. **Networking:**
 - a. Leveraging professional networks, LinkedIn, and industry associations.
11. **Job Portals:**
 - a. Utilizing job search websites specific to India (Naukri, Monster India) and abroad (Indeed, Glassdoor).
12. **Recruitment Agencies:**
 - a. Engaging with agencies that specialize in international placements.
13. **Tailoring Applications:**
 - a. Customizing resumes and cover letters for specific job roles and markets.

Closing Remarks:

Both the Alumni interacted with the students and gave career guidance regarding higher studies and placements in India and Abroad. They talked about various job opportunities and how to prepare for interviews. The resource persons for the session gave an elaborative introduction about the various opportunities and scope in the field of health and medicine, IT, Electrical and Electronics. He suggested varied ways and ideas on how to opt the career in abroad. Alumni and students had a very

good interactive session. The Meet came to an end with the vote of thanks proposed by Asst. Prof. Amruta Joshi. Overall, it was a great success.

Report on Program Conducted by Alumni Association at R. C. Patel Arts, Commerce and Science College, Shirpur

Date: 05th November 2020

Venue: R. C. Patel Arts, Commerce and Science College, Shirpur

Program Title: Lecture on "Understanding Entrepreneurship and Start-ups"

Resource Person: Mr. Pramod Murlidhar Patil, MD, Patil Agrochemicals Pvt. Ltd., Parola, Dist. Jalgaon.

Introduction:

The R. C. Patel Arts, Commerce and Science College, Shirpur Alumni Association organized an Alumni Meet focusing on entrepreneurship and the intricacies of starting a start-ups. The event brought together alumni who have successfully ventured into the entrepreneurial world and current students eager to learn from their experiences. This report outlines the key activities, discussions, and insights shared during the workshop. The event aimed to bring together successful entrepreneurs, start-up enthusiasts, and alumni to share their experiences, network, and inspire current students and aspiring entrepreneurs.

Program Details:

The Entrepreneur and Start-up Alumni Meet was held on 05th November 2020, at S. M. Patel Auditorium Hall. Program started at 10.45 am with the invocation song by existing student followed by lighting of the lamp by dignitaries. Principal of R. C. Patel Arts, Commerce and Science College, Dr. D. R. Patil (President, alumni association) welcomed the chief guests and alumni students for the august gathering. Chief guests Hon. Rajgopal Bhandari and board members of Alumni association were present on the occasion. It was followed by guest of honour and felicitation of 25 alumni achievers from different fields were recognized and felicitated. Then few cultural programs were presented by our students from student Council. It was followed by felicitation and gift presentation for the best outgoing students by the dignitaries. The guests were addressed the gathering & spoke about Entrepreneurship & Risk Management, which was followed by business presentation by Alumni Entrepreneurs.

Objectives of meet:

To connect current students with successful alumni entrepreneurs, provide insights into the journey of starting and sustaining a start-up. Offer networking opportunities for students and alumni and to inspire and motivate aspiring entrepreneurs.

Key points of entrepreneurship and start-ups discussed:

- **Innovation:** Entrepreneurs bring new ideas to the market, driving technological advancements and business model innovation.
- **Risk-Taking:** Entrepreneurship involves significant risks, including financial, market, and operational risks.
- **Opportunity Recognition:** Successful entrepreneurs identify and capitalize on market gaps or unmet needs.
- **Resource Management:** Effective allocation and management of resources, including human, financial, and material resources.
- **Strategic Vision:** Developing a clear business plan and strategy to achieve long-term goals.
- **Adaptability:** The ability to pivot and adapt to changing market conditions.
- **High Growth Potential:** Designed to scale rapidly.
- **Innovation Focus:** Often based on disruptive ideas that create new markets or transform existing ones.
- **Scalability:** Business models that can grow without a proportional increase in costs.
- **Funding:** Typically seek external funding from venture capitalists, angel investors, or crowd funding.
- **Agility and Adaptability:** Operate in dynamic environments, requiring quick adjustments based on market feedback.

Conclusion:

Entrepreneurship and start-ups are vital components of the global economy, fostering innovation, creating jobs, and driving economic growth. Understanding the characteristics, phases, challenges, and benefits of start-ups is essential for aspiring entrepreneurs and stakeholders in the entrepreneurial ecosystem. With the right strategies and support, start-ups have the potential to create significant value and transform industries. The event highlighted the strength and potential of the college alumni network and reinforced the importance of continued support for aspiring entrepreneurs.

Date: 11th November 2019

Venue: R. C. Patel Arts, Commerce and Science College, Shirpur

Program Title: Lecture on "Personality and Development"

Resource Person: Mr. Mateen Shaikh, Pune

Introduction: On the 11th of January 2019, the Alumni Association of R. C. Patel Arts, Commerce and Science College, Shirpur organized a special lecture aimed at enhancing the personal and professional development of B.Sc. and M.Sc. students. The session was conducted by Mr. Mateen Shaikh, an esteemed alumnus currently based in Pune, known for his expertise in personality development and career guidance.

Program Details: The lecture commenced at 11:00 AM in the college seminar hall and was attended by students and faculty members from various disciplines within the college. Mr. Mateen Shaikh, known for his dynamic and interactive speaking style, began by sharing anecdotes from his own journey post-college and how personality development played a crucial role in his success.

Key Topics Covered:

1. **Understanding Personality Traits:** Mr. Mateen Shaikh elaborated on the concept of personality traits and their significance in personal and professional life. He discussed various personality types and how individuals can leverage their strengths to achieve career success.
2. **Communication Skills:** Effective communication skills were highlighted as essential for professional growth. Practical tips on improving verbal and non-verbal communication were shared, along with the importance of active listening in interpersonal relationships.
3. **Goal Setting and Time Management:** The importance of setting SMART (Specific, Measurable, Achievable, Relevant, Time-bound) goals was emphasized. Strategies for effective time management were discussed to help students prioritize tasks and achieve their objectives efficiently.
4. **Career Guidance:** Insights into career planning and development were provided, including the significance of networking, building a personal brand, and seeking mentorship. Mr. Mateen Shaikh encouraged students to explore diverse career opportunities aligned with their interests and skills.

Interactive Session: The lecture was followed by an interactive Q&A session where students actively participated by asking questions related to personal development, career choices, and overcoming challenges in the professional world. Mr. Mateen Shaikh addressed each query with practical advice and motivational insights based on his own experiences.

Conclusion: The program concluded at 1:00 PM with a vote of thanks extended to Mr. Mateen Shaikh for his valuable contribution to the personal and professional development of the students. Participants expressed gratitude for the opportunity to learn from an accomplished alumnus and left the seminar hall inspired and motivated to work on their personality traits and career aspirations.

Feedback: Feedback collected after the session indicated a positive response from the attendees. Students appreciated Mr. Mateen Shaikh's approachable demeanor, relevant content, and actionable advice that they could apply in their academic and professional lives.

Future Implications: The success of this program underscores the importance of alumni engagement in nurturing the holistic development of students. Such initiatives not only provide valuable insights but also strengthen the bond between current students and alumni, fostering a supportive community within the college.

In conclusion, the lecture on "Personality and Development" delivered by Mr. Mateen Shaikh was a resounding success, enriching the learning experience of B.Sc. and M.Sc. students at R. C. Patel Arts, Commerce and Science College, Shirpur. The lessons learned are expected to empower students as they navigate their academic journey and prepare for future career opportunities.

Report on Program Conducted by Alumni Association at R.C.Patel Arts, Commerce and Science College, Shirpur

Date: 27th December 2018

Venue: R. C. Patel Arts, Commerce and Science College, Shirpur

Program Title: Lecture on "Current Events in Computing Trend and Industrial Demand"

Resource Person: Mr. Sachin Achary, Senior Project Leader at BMC, Pune

Introduction: On the 27th of December 2018, Alumni Association of R. C. Patel Arts, Commerce and Science College, Shirpur hosted a lecture aimed at enlightening B.Sc. and M.Sc. students on the contemporary trends in computing and the corresponding industrial demands. The session was conducted by Mr. Sachin Achary, an esteemed Senior Project Leader at BMC, Pune, known for his expertise in the field of information technology and computing.

Program Details: The lecture commenced at 10:00 AM in the college auditorium and was attended by a large number of students and faculty members from both undergraduate and postgraduate departments of computer science. The event began with a brief introduction of Mr. Sachin Achary, outlining his professional journey and his current role at BMC, Pune. His extensive experience in the industry added credibility to the information he presented during the session.

Key Topics Covered:

1. **Emerging Technologies:** Mr. Sachin Achary discussed the latest advancements in computing technologies such as artificial intelligence (AI), machine learning, Internet of Things (IoT), and block chain. He elaborated on how these technologies are reshaping various industries and creating new job opportunities.
2. **Industry 4.0:** The concept of Industry 4.0 and its implications on the future of work and automation were explained in detail. Mr. Achary highlighted the skills and knowledge areas that students should focus on to stay relevant in the rapidly evolving job market.
3. **Career Guidance:** Practical insights and career advice were shared with the students, emphasizing the importance of continuous learning, adaptability, and

gaining hands-on experience through internships and projects. He also discussed the role of certifications and higher education in enhancing employability.

4. **Interactive Session:** The lecture was followed by an engaging Q&A session where students had the opportunity to ask questions and seek advice directly from Mr. Sachin Achary. This interaction fostered a deeper understanding of the topics discussed and provided clarity on career-related queries.

Conclusion: The program concluded at 1:00 PM with a vote of thanks extended to Mr. Sachin Achary for his insightful and inspiring session. The students expressed gratitude for the opportunity to learn from an industry expert and left the auditorium with a clearer perspective on the current trends in computing and the steps needed to align themselves with the demands of the industry.

Alumni's Green Initiatives

During the last five years tree plantation drive was organized by the alumni association who has planted different varieties of plants species at different intervals in the city. The tree plantation drive was organized with the aim of giving back to the nature and promoting environmental sustainability, combating climate change, enhancing green cover. Tree plantation drive is an attempt of the volunteers towards green environment which resulted the vacant areas in the campus and in the city attempt getting green and clean city. Over 150 alumni volunteers participated actively in the event during last 5 years.

The purpose of tree plantation is to save the endangered environment and to beautify our life. Trees are valuable gifts of nature. They are known as the best friends of human beings. They benefit us in various ways. As we know that trees are the foremost source for producing oxygen in the environment, they help to reduce the level of CO₂. As the whole world is facing the problem of global warming and another environmental-related issue so as to recover from such a problem planting the trees is become inevitable one of the most important aspects today.

The idea behind the tree plantation activity was to propagate the message that planting the trees helps to maintain clear eco-friendly environment reduces pollution and improves the green ambience. The Tree Plantation drive is aimed at combating many environmental issues like deforestation, erosion of soil, global warming and hence enhancing the beauty and balance of the environment. On background of pandemic situation of COVID-19, alumni decided to do tree plantation program at their own place i.e. nearby area of their home by following all COVID-19 measures guidelines provided by Govt. Keeping all provided instruction in mind total 20 volunteers done tree plantation in nearby area of their house and plant one sapling each, total 18 saplings are planted.

Alumni are increasingly involved in green initiatives across various domains, leveraging their influence, resources, and networks to drive environmental sustainability. Here are some common ways alumni engage in green initiatives:

1. **Funding and Support:** Alumni often donate to green projects or support environmental organizations financially. This can range from funding research on renewable energy to supporting local conservation efforts.
2. **Advocacy and Awareness:** Alumni use their platforms to raise awareness about environmental issues. They may organize events, campaigns, or use social media to educate others and promote sustainable practices.
3. **Networking and Collaboration:** Alumni networks facilitate collaboration among professionals in various industries to develop sustainable solutions. They might host conferences, workshops, or online forums to exchange ideas and foster innovation.
4. **Career and Mentorship:** Alumni provide mentorship and career advice to students and young professionals interested in environmental fields. They may offer internships or job opportunities in green industries.
5. **Educational Initiatives:** Alumni support educational institutions in integrating sustainability into their curriculum. They might fund scholarships for students pursuing degrees in environmental studies or STEM fields related to sustainability.

6. **Green Campus Initiatives:** Alumni work with their alma maters to implement eco-friendly practices on campus, such as energy-efficient buildings, recycling programs, or sustainable transportation options.
7. **Policy and Governance:** Some alumni engage in advocacy for environmental policies at local, national, or international levels. They may lobby for legislation that promotes renewable energy, conservation efforts, or environmental justice.
8. **Volunteering and Community Engagement:** Alumni participate in local environmental cleanups, tree planting initiatives, or other community-based projects that contribute to sustainability efforts.

These initiatives illustrate how alumni play a crucial role in advancing environmental sustainability by leveraging their expertise, influence, and commitment to making a positive impact on the planet.

Some of the glimpses of tree plantation during last 5 years are as follows.

शिरपूर : अनेर वन्यजीव अभयारण्यातील वणवा प्रकरणाची चौकशी करावी, या मागणीसाठी तहसीलदार आबा महाजन यांना निवेदन देताना शिरपूर ग्रीन आर्मीचे पदाधिकारी.

अनेर वन्यजीव अभयारण्यातील वणवा प्रकरणाची चौकशी करा शिरपूर ग्रीन आर्मीचे तहसीलदारांना निवेदन

शिरपूर, ता. १० : येथील अनेर वन्यजीव अभयारण्यात वणवा लागून चार हेक्टरवरील वनक्षेत्र जळून खाक झाल्याच्या प्रकरणाची उच्चस्तरीय चौकशी करावी, अशी मागणी येथील शिरपूर ग्रीन आर्मी संघटनेतर्फे करण्यात आली. संघटनेच्या पदाधिकाऱ्यांनी बुधवारी (ता.१०) तहसीलदार आबा महाजन यांची भेट घेऊन निवेदन दिले.

चार मार्च रोजी श्री क्षेत्र नागेश्वर (ता.शिरपूर) सह अनेर वन्यजीव अभयारण्याच्या क्षेत्रात वणवा पेटला. या घटनेत सुमारे चार

हेक्टरवरील वनसंपदा जळून खाक झाल्याचा अहवाल अभयारण्याच्या अधिकाऱ्यांनी दिला. एकीकडे वृक्षलागवड आणि संवर्धनासाठी शासन, प्रशासन आणि स्वयंसेवी संघटनांतर्फे विविध उपक्रम, मोहिमा राबवल्या जात असताना वणवा पेटून वृक्षसंपदा नष्ट होणे ही बाब संतापजनक आहे. हा वणवा नैसर्गिक नसून जंगल नष्ट करून तेथील जागेचा उपयोग मानवी व्यवहारांसाठी केला जात असल्याचा संशय आहे. या प्रकाराची पुनरावृत्ती होऊ नये, यासाठी घातपाती

कृत्य करणाऱ्यांना अटकाव करणे आवश्यक असून वनविभाग किंवा अभयारण्याच्या अधिकाऱ्यांवर विसंबून न राहता वरिष्ठ स्तरावरून चौकशीचे आदेश द्यावेत, अशी मागणी संदीप माळी, धीरज राजपूत, संभाजी पाटील, पृथ्वीराज देशमुख, योगेश पाटील, राजेंद्र पाटील, योगेश्वर माळी, दीपक चव्हाण, धनराज पाटील, राजेश सोनवणे, प्रशांत राजपूत, योगेंद्र गिरासे, राकेश माळी, मनोज मंगळे आदींनी निवेदनातून केली.
