### Action Taken Report on the feedback collected from Stackholders:- Year 2020-2021

- As we are not an autonomous institute, we have certain limitation in adding our views in the syllabus building process.
- The Syllabus of every course is prepared by respected BOS members as nominated by the University though we have taken some initiatives.
- To bridge the gap between BCA and BMS Course college introduced bridge course on Commerce Subject.
- The students who come to FYBSC Computer Science have not hands on Computers, so DOCS arrange 05 days course for FYBSC Computer Science Students Hands On Computer to introduce them to the basics of Computer.
- Various academic activities related to skill development are organized during academic year.
- Some teachers of our college are in various BOS in their respective Subjects. They are also informed about the requirements and request to modify the syllabus.
- Various departments organized presentations and Training program to understand the applicability of the syllabus in the practical life.
- To enrich teaching facilities like ICT tools suggested are invited and teachers are asked to prepare material for New syllabus that can be used in ICT aided teaching.
- The CDC has been requested to enhance ICT facilities in more class rooms so that more students and teachers can avail way of teaching learning process.
- Suggestion regarding purchase of reference books and text books are suggested.
- Experts talk can be arranged for students for clearing the problems of difficult subjects.
- IQAC can give suggestion to each department to arrange extra revision session for the Students.
