Online Education

1. Does all programs/courses were completed on time.	Yes
2. Measures taken to complete the syllabus of courses and programs.	<p>Completing the syllabus was a great challenge during the academic year that was affected by the pandemic and consequently by the lock down. Lock down prohibited the students to come to college physically and to have a direct exposure to educational experience. It was challenge for the teachers as well to conduct the classes online and to carry out the practical works physically and online. During the 2020-21, the classes were conducted online and offline as per the guidelines of government and university. The college planned the academic calendar and time table in coordination of the academic calendar of the university. The faculties of the college were given the instructions related to the conducting classes online and offline as per the instruction of the government and university. At the same time, they are given autonomy to choose mode of classes online, to plan their classes, lectures and practical. Teachers and students were partially using online techniques for teaching and learning but the present time made them to use them holistically and with all their implications.</p> <p>The college made available the ZOOM – an online platform for the teachers. The teachers planned their syllabi into weekly modules and presented them through ZOOM. They prepared the lectures, power point presentations, online group discussions, videos and audio lectures etc. The ZOOM lectures were restructured as per the needs of students and availability of data. Every unit was followed by the revision and the evaluation based the unit taught.</p> <p>ZOOM was used to organize the online lectures of the guests lectures on the various topics related to the syllabi. The online lectures on the various topics such as personality development, career guidance, soft skills, etc. which are useful to the students were organized online through ZOOM.</p> <p>Apart from the ZOOM, the teachers used the Google classroom. It was a friendly platform for both- teachers and students. Teachers created and managed the classrooms on this platform. He could easily give the study materials to students and provide them the tests and assignments online. He supplemented his teaching work with YouTube videos, a Google Forms survey, and other items from Google Drive. The teachers used to get real- time feedback from the students. He used the class stream to post announcement and to engage students in question- driven discussions. There was additional benefit of Google classroom. It was teacher involved the parents of students by inviting them to sign up for email summaries with a students' upcoming or missing work.</p> <p>When there was relaxation in the lockdown restrictions, the teachers called the students for the offline lecture and practical sessions. But even during these sessions all the rules of COVID appropriate behavior were strictly followed by both teachers and students.</p> <p>During this academic year, hyflex (hybrid i.e. online and offline) classes were engaged by the teachers. The flexibility of the teaching and learning helped to teachers to complete the syllabi effectively and to students to learn fruitfully. The collaborative efforts of teachers and students overcame the ordeals of Pandemic conditions and successful completed the syllabi and courses.</p>
3. The period of delay in completion of syllabus (in months).	0
4. The period of delay in conducting exams (in months).	2
